Mason,2013-01-15 This view of the war from the mess deck of a fleet tug is far different from those written from a flag bridge vantage A Navy radio man Ted Mason recalls his years of action in the Pacific with candor and humor offering perceptive evaluations of shipmates and exhibiting cool skepticism toward his leaders The USS Pawnee rescued many ships during her 25 month tour of the South and Western Pacific and this story of the heroics performed by her crew makes intriguing reading **No Mistakes!** Taylor, Madisyn,Johnston, Sunny Dawn,Amara, HeatherAsh,2013-06-15 Have you ever wondered if there was any truth to the adage Everything happens for a reason Wonder no more This is the book that demonstrates the truth in that old piece of conventional wisdom Madisyn Taylor Sunny Dawn Johnston Heather Ash and twenty other motivational and inspirational authors and speakers explore how synchronicities blessings and miracles can be found even in the most seemingly daunting circumstances Written from the perspective that every experience that you have is designed to be an opportunity for growth No Mistakes contains over twenty five uplifting chapters each contributed by a different author Each story demonstrates in concretely how what appear to be dire circumstances are ultimately opportunity for blessings Drawing on situations ranging from financial hardship divorce and even death of a loved one these accounts leave no doubt that even in the darkest moments of our lives a divine hand is at work For anyone traveling a rough road or experiencing difficulties this will provide the fortitude to move ahead There is indeed a silver lining behind every dark cloud Apart from Love Uvi Poznansky,2012-02-15 Apart from Love is not your typical love story All consuming heart wrenching and dark it is an epic that starts when Ben returns to meet his father Lenny and his new wife Anita It is then that he discovers a family secret How will they find a path out of conflicts out of isolation from guilt to forgiveness My Own Voice As told by Anita Ten years ago Anita started an affair with Lenny in spite of knowing that he was married and that his wife was succumbing to a mysterious

disease Now married to him and carrying his child how can she compete with Natasha s shadow and with her brilliance in the past Given Anita s lack of education how can she resist his compelling wish to transform her Can she survive his kind of love Faced with the way he writes her as a character in his book how can Anita find a voice of her own And when his estranged son Ben comes back and lives in the same small apartment can she keep the balance between the two men whose desire for her is marred by guilt and blame The White Piano As told by Ben Coming back to his childhood home after years of absence Ben is unprepared for the secret which is now revealed to him his mother Natasha who used to be a brilliant pianist is losing herself to early onset Alzheimer s which turns the way her mind works into a riddle His father has remarried and his new wife Anita looks remarkably similar to Natasha only much younger In this state of being isolated being apart from love how will Ben react to these marital affairs when it is so tempting to resort to blame and guilt In our family forgiveness is something you pray for something you yearn to receive but so seldom do you give it to others Behind his father s back Ben and Anita find themselves increasingly drawn to each other They take turns using an old tape recorder to express their most intimate thoughts not realizing at first that their voices are being captured by him These tapes with his eloquent speech and her slang reveal the story from two opposite viewpoints Dealing with the challenging prospects of the marriage of opposites this book can be read as a standalone novel as well as part of one of family sagas best sellers Still Life with Memories is a family saga series tinged with family saga romance fraught with marital issues and riddled with the difficulty of connecting fathers and sons
