the past is never more than a few steps behind her On her quest for home Blake must confront a daunting question where does she belong This is a book for readers who enjoy the believable eccentricity a small town offers And for those who believe in the redemption of the sea and hard work *Romantic Relationships and Media* Valerie Ellen Kretz,2024-12-15 In this book Valerie Kretz utilizes examples from pop culture and everyday life to provide an examination of current research on romantic relationships and media with an emphasis on entertainment and digitally mediated communication By dividing the book into two major sections relationship trajectories and different aspects of relationships Kretz establishes a framework through which to explore relevant theoretical and empirical findings drawing on established literature examples in the media and the lived experiences of interview participants Kretz covers a wide range of topics through these frameworks including online dating representations of love in film and television social media and romantic jealousy parasocial romance and digital breakups among others Ultimately Kretz argues that all available evidence demonstrates the complexity of this intersection due to the separate roles that several distinct factors like medium content social context frequency of use and individual differences all play a role in how these intersections are constructed in the real world Finally the book identifies potential directions for future research as scholars continue to unpack this complex relationship The Beauty of Spirit Lisa Erawoc,2010-03-17 Tap the inner most sentiments of your soul as author poet Lisa Erawoc unleashes her poetic prowess to invite you to see The Beauty of Spirit Through rhyme and rhythm she touches on the many facets of life grief sorrow happiness and rewards You will find yourself contemplating on your personal relationship with yourself with others and with God Each melodic poem and riveting essay in this highly moving collection will leave you inspired and comforted From love friendship mourning and spirituality The Beauty of Spirit will take you through an unforgettable journey of self searching through mesmeric flow of words Mea Culpa: a Way out of Hell Dennis Noel,2017-07-07 From birth to death we pass the same milestones forks in the road and dead ends Each next step may lead us to disaster Dennis Noel a native of the dual island nation of Trinidad and Tobago shares lessons from his own journey in book one of his life story His prime directive is to show the interconnectivity of everything in the universe between universes and between beings His story is connected to others and their stories are all part of a much bigger story He reveals regrets many of us choose to ignore Some of these lie buried deep in the recesses of our minds to be forgotten or diluted with enough justifications to dissolve any real ownership but he seeks to move toward a more enlightened path He also looks back at the many times in his life that help was given sometimes in the form of angels disguised as strangers or via doors opened with whispers urging him closer to faith
