group as well as the hundreds of young British Muslims who have been drawn by jihadist ideas to fight on battlefields at home and abroad Starting with the arrival of immigrant communities to the UK and the establishment of diasporas with strong ethnic connections to the Middle East and South Asia to the arrival of jihadist warriors fresh from the anti Soviet war Afghanistan this book looks at the history that came before Mohammed Siddique Khan and places his action within its larger context This book provides the first comprehensive history of jihadist ideas and violence in the United Kingdom
