Love Groucholetters From Groucho Marx To His Daughter Miriam:

Love, Groucho Groucho Marx, 1993 Amply displaying Groucho's famous wit but also providing a rare glimpse of the very human and complex man behind the mustache here are nearly 200 letters written by the legendary Groucho Marx to his daughter Miriam over a period of 30 years Includes notes and photographs from Miriam's collection and a foreword by Dick Cavett

Groucho Marx Lee Siegel, 2016-01-28 Born Julius Marx in 1890 the brilliant comic actor who would later be known as Groucho was the most verbal of the famed comedy team the Marx Brothers his broad slapstick portrayals elevated by ingenious wordplay and double entendre In his spirited biography of this beloved American iconoclast Lee Siegel views the life of Groucho through the lens of his work on stage screen and television The author uncovers the roots of the performer's outrageous intellectual acuity and hilarious insolence toward convention and authority in Groucho's early upbringing and Marx family dynamics The first critical biography of Groucho Marx to approach his work analytically this fascinating study draws unique connections between Groucho's comedy and his life concentrating primarily on the brothers classic films as a means of understanding and appreciating Julius the man Unlike previous uncritical and mostly reverential biographies Siegel's bio commentary makes a distinctive contribution to the field of Groucho studies by attempting to tell the story of his life in terms of his work and vice versa

Groucho Marx & Charlie Chaplin Harry Lime, **Groucho** Stefan Kanfer, 2001-05-08 This definitive biography of one of the world's greatest comedians unflinchingly yet affectionately uncovers the man behind the cigar Here is the amazing career of the man the world recognized as Groucho the improbable disasters of the vaudeville years the Marx Brothers an act so funny W C Fields refused to follow it the unprecedented Broadway success of The Cocoanuts and Animal Crackers the cinematic triumphs of Duck Soup and A Night at the Opera and the marvelous come back career as king of the game show hosts with You Bet Your Life Here too is the man himself a lonely middle child who aspired to be a doctor a man who sabotaged three marriages a father alternately indulgent and cruel Intelligent and thorough

hilarious and sad Groucho is a spectacular biography of the century's most influential comedian *That's Me, Groucho!* Matthew Coniam, 2016-08-04 Groucho Marx's career as a solo performer began long before the Marx Brothers and lasted almost until the end of his life with a series of controversial sold out concerts in his eighties. In between came several films, numerous television and radio appearances, theater performances, dramatic acting and writing, and his smash hit radio and TV quiz show *You Bet Your Life*. 1947-1961 This first ever comprehensive study of his work without his famous brothers reveals a Groucho perhaps unfamiliar to the public. Driven to prove he was much more than just a comedian with a greasepaint, later real mustache, Groucho always thought of himself as essentially a solo performer and strove for individual success in his professional life and to balance if not always successfully his career with his family life. Many rare photographs are included along with new and previously unpublished interviews. **Brothers** George Howe Colt, 2014-05-06 Blends history and memoir in an account that in alternating chapters explores the author's quest to understand the impact of his brothers on his life and the complex relationships between iconic brothers including the Thoreaus, the Van Goghs, and the Marxes. *The Annotated Marx Brothers* Matthew Coniam, 2015-02-19 Have you ever watched a Marx Brothers film and wondered what *habeas* is? What is the trial of Mary Dugan? What is a college widow? When exactly did Don Ameche invent the telephone? Their films are full of such in-jokes and obscure theatrical, literary, and topical references that can baffle modern audiences. In this viewer's guide to the Marx Brothers, you will find the answer to such mysteries along with an exhaustive compilation of background information, obscure trivia, and even the occasional busted myth. Each of the Marx Brothers' 13 films is covered by a running commentary with points in the film discussed as they appear. Each reference is listed by its running time with time code given for both PAL and NTSC DVD. An introduction for neophytes and a resource for fanatics, this book is a travel guide to the rambling landscape of these remarkable comedies. *The Marx Brothers and America* Robert E. Weir, 2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove. Textbooks and lectures have their place, but less traditional classrooms can be powerfully immersive and insightful. Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films. The Marx Brothers are among the funniest comedy teams of all time. Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made. For many contemporary viewers, though, getting the jokes is not always easy because the humor can be subjective and timebound. This work looks at the American past through the lens of the Marx Brothers' films and other projects. Each of the chapters focuses on a specific film, contextualizing the world at the time and how the Marx Brothers lampooned those subjects. Along the way, the book demonstrates what the Marx Brothers revealed about weighty topics like gambling, gender relations, immigration, medical care, Prohibition, race, and war, all leavened with offbeat humor. **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors, *Focus On: 100 Most Popular Deaths from Pneumonia* Wikipedia contributors, **Focus On: 100 Most Popular American Game Show**

Bader, 2024-10-15 Marx Brothers authority

Bader has done a remarkable job successfully uncovering the story of the unknown brother revealing a genuinely complex character This book is revelatory not just about Zeppo but also about the rest of the Marx Brothers Library Journal Zeppo was the Marx Brother who didn't want to go into the family business A juvenile delinquent in his teen years before joining his brothers on stage Zeppo balanced two careers auto mechanic and petty criminal Even after getting dragged into the world of entertainment for sixteen years he did his familial duty as a vaudeville Broadway and movie star he finally made his escape from the Four Marx Brothers After failed attempts to find steady work in real estate screenwriting and the restaurant business Zeppo finally hit it big as a Hollywood talent agent representing stars like Barbara Stanwyck Fred MacMurray and Lana Turner From there he bred racehorses owned a manufacturing plant tried out citrus ranching and commercial fishing and patented several new inventions He was in short a complex character and his own family never quite figured him out Zeppo The Reluctant Marx Brother gives a lively account of this checkered life and career As Robert Bader recounts Zeppo's lifelong addiction to gambling led him into relationships with several notorious organized crime figures and he would ultimately appear before grand juries more frequently than movie cameras He was certainly the only Marx Brother who saw the corpse of a friend in a newspaper crime scene photo Socially he mixed as easily with mobsters like Mickey Cohen as he did with movie stars like Clark Gable Comprehensively researched with the full cooperation of Zeppo's estate including the first ever interviews with his two sons this is a remarkable look at the many lives of Zeppo Marx even the ones he did his best to keep secret
