"It's raining heavily," he said.

I frowned. The clock read 11:44. "I thought you weren't coming until this afternoon." It felt strange, after all this time, to be speaking Vietnamese again.

"They changed my flight in Los Angeles."

**Love and Lust** Theodor Reik, 2002-01-01 The first part of the book is so far ahead of its time that it is still current It reveals Reik's departure from Freud's theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly abbreviated version of Masochism in Modern Man retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author's usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly Many of your impressions about us women are correct No man should read the book A few seconds later she said rather every man should read the book **BOOK JACKET** *Love in Pity* Barbara Cartland, 1976 *Love's Enlightenment* Ryan Patrick Hanley, 2017-03-30 A number of prominent moral philosophers and political theorists have recently called for a recovery of love But what do we mean when we speak of love today Love's Enlightenment examines four key conceptions of other directedness that transformed the meaning of love and helped to shape the way we understand love today Hume's theory of humanity Rousseau's theory of pity Smith's theory of sympathy and Kant's theory of love It argues that these four Enlightenment theories are united by a shared effort to develop a moral psychology that can provide both justificatory and motivational grounds for concern for others in the absence of recourse to theological or transcendental categories In this sense each theory represents an effort to redefine the love of others that used to be known as caritas or agape a redefinition that came with benefits and costs that have yet to be fully appreciated **Lilith - A Romance** George MacDonald, 2019-02-15 Lilith is a 1895 fantasy novel by Scottish writer George MacDonald One of his darkest works it follows the story of a library owner called Mr Vane whose library is haunted by the former librarian When he eventually encounters the ghost Vane learns that the apparition knew his father who had visited the strange parallel universe wherein he now resides George MacDonald 1824 1905 was a Scottish poet author poet and Christian minister He is considered to have been a pioneer in the genre of fantasy literature and was the mentor of Lewis Carroll Many notable writers have cited him as a literary influence including W H Auden Lloyd Alexander C S Lewis J R R Tolkien Walter de la Mare and more Many vintage books such as this are increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author **A Complete Edition of the Poets of Great Britain**, 1793 Tragic Sense of Life Miguel Unamuno, 2023-09-03 Tragic Sense of Life in Spanish Del sentimiento trágico de la vida is a philosophical work written by Miguel de Unamuno a prominent Spanish philosopher writer and existentialist of the late 19th and early 20th centuries The book delves into themes of existentialism faith and the human condition In Tragic Sense of Life Miguel de Unamuno grapples with the fundamental questions of human existence and the meaning of life He explores the complex and often paradoxical relationship between reason and faith

intellect and emotion and the struggle to find meaning in a seemingly indifferent or hostile universe Unamuno argues that humans have an inherent desire for immortality and an eternal truth yet the uncertainty of life the inevitability of death and the limits of human understanding create a sense of existential anguish and tragedy He delves into the inner conflicts and anxieties that arise from this confrontation between the desire for certainty and the awareness of our mortal nature The author critiques the rationalism and scientific positivism of his time asserting that reason alone cannot provide ultimate answers or fulfill the deeper yearnings of the human soul He advocates for an embrace of the irrational the passionate and the unknown as crucial elements of the human experience Throughout the book Unamuno weaves in his personal struggles and experiences infusing the philosophical exploration with a sense of authenticity and introspection He invites readers to confront their own existential uncertainties and grapple with the enigma of human existence
