*Love Is* Craig R Durrant,2019-11-17 What is love Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn't love Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy Love is a heart and soul learning how to love and dream again with increased openness and greater depth Love is many things but it is never needy or broken In his journey to love again the answers came It exposes our inner song as a gift to those we love and to the world This is a gift to the world It is Craig's inner song of loving again with the transparency and nakedness of love It is remembering and learning that love is Read on and see if it speaks to your soul like it has for so many others Love is Love Is a Story Robert J. Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashing incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out **Love Is . . .** Les and Leslie Parrott,2009-12-15 For those who want to grow in the art of loving well Reflections on 1 Corinthians 13 featuring 16 different translations and paraphrases of the Bible's beloved Love Chapter **Only Love Is Real** Tom Larontonda,2013-06-14 As long as worldly love continues to be considered our means of salvation we will forever experience war greed hunger disease homelessness and every other form of pain and suffering that the dream can create This book is not about vastly improving worldly love into something newer better and bigger That strategy has gone on for centuries yet world peace has never been achieved This book is one soul's humble yet dedicated attempt to truly connect with those who will listen and inspire them to stop and hear the magnificence

**Love is Not a Liquid Asset**

John Faithful Hamer, 2020-04-19

Sex is love's fast forward button

If you're normal sooner or later you're going to fall in love with the person you're sleeping with or they're going to fall in love with you whether you like it or not

Passionate love as Jonathan Haidt rightly observes in *The Happiness Hypothesis* 2006 is a drug

Its symptoms overlap with those of heroin and cocaine

Passionate love alters the activity of several parts of the brain including parts that are involved in the release of

dopamine Any experience that feels intensely good releases dopamine and the dopamine link is crucial here because drugs that artificially raise dopamine levels as do heroin and cocaine put you at risk of addiction The feelings we develop for someone we're sleeping with are powerful This is largely a function of oxytocin a hormone normally associated with mother-infant bonding In most mammals oxytocin is released solely during breastfeeding where it helps to forge a powerful bond between mother and child But in certain species large quantities of oxytocin are also released during sex where it helps to forge a powerful bond between lovers In *Blueprint 2019* Nicholas A Christakis maintains that these modifications of the oxytocin reflex are nothing short of astounding a set of physiological experiences that originally evolved to facilitate mother-child bonding have in our species evolved to facilitate and support pair bonding The neural circuits that light up in a woman's brain are similar whether she looks at her baby or her partner Evolution seems to have selected for human neediness This explains the voracious nature of human sexuality Unlike tigers bears and salamanders who only have sex during the mating season we have sex all year round What's more we have a great deal of sex that's clearly not going to result in pregnancy e.g. gay sex straight sex after menopause etc Sex's primary purpose has long since transcended procreation Sexual desire renders us needy It takes us out of ourselves and into the world making hunters of us all If the greatest friendships fall into our laps serendipitously like the treasure you find buried in your own backyard the greatest loves of our lives are like spoils we bring home from the field of battle

**Calderon: Love Is No Laughing Matter** Sean Page,K.

Muir,1986-01-15 Although Calderon s comedy has received rather less attention than the other genres in which he excelled it is widely acknowledged that his comic plays are unrivalled among his contemporaries in terms of plot structure and technical expertise they also explore contemporary issues to an extent which has not been appreciated Love is no Laughing Matter is one of the best in which the dramatist casts a sardonic eye on male chauvinism women s education and social snobbery This is the first complete text of the play to be published since 1650 Spanish text with facing page translation
