*Journeying Life with God/living God's Love 4 Tm' 2002 Ed. , Violent Love #4* Frank J. Barbieri, 2017-02-15 Chapter Four FINE YOUNG KNIVES *My Love 4* , 2014-02-14 **The Love of God** Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *A Love for Nothingness, A Love for Death* Alberto Castelli, 2024-06-15 This book aims at explaining romantic love between straight adults through literary texts of the western canon from the nineteenth and twentieth century Each chapter comes with a multidisciplinary approach in which protagonists are mutilated in their quest for loving as alternative to annihilation The book emphasizes love as an obsession thus as an exploration of the mind From the passion myth of Tristan and Isolde to the nihilist modernist representations the western world has created a perverse concept of love A love for nothingness for death Narcissistic and at times destructive love is gained by overcoming obstacles If without obstacles there is no love then love becomes love for obstacles Within this masochistic frame love falling in love being loved always stand at the edge of pathology At its core this book narrates a love story more precisely a story of loves the haunting evocation of a desire that by its very nature cannot be fulfilled Inherent in the nature of love is a subtle dialectical activity between presence and absence between creation and destruction reality and void Accordingly the narrative raises questions that the past two centuries were incapable of answering Does love only last the time of a kiss Is its promise fatally destined to dissolve What about violence Physical emotional temporal Is it an ineliminable part of love or its most extreme profanation And what is the mystery that accompanies loves that know how to last without resigning themselves to the death of desire It is to answer some of these questions that I wrote this text Love is an unconscious process that dominates reason and destroys it when reason cannot be a mode of communication Hence the amorous romance is madness and this text is written as a loud reminder *Awe for the Tiger, Love for the Lamb* Rod Preece, 2002 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company **FOR GOD SO LOVED...WHO?** Moreno Dal Bello, 2017-01-27 FOR GOD SO LOVED WHO THE TRUTH CONCERNING THE MOST MISUNDERSTOOD MISREPRESENTED AND MISUSED SCRIPTURE IN ALL OF GOD'S HOLY WORD *God, Evidences, and Creation: Who God Is and Reasons for Believing* David Pratte, 2019-12-25 A study of Bible teaching about the nature of God evidences for

**Strong's Bible Concordance** James Strong, 2023-11-23 James Strong's Bible Concordance is an indispensable tool for biblical scholars, students, and laypersons alike, offering a systematic way to explore and understand the Scriptures. This extensive reference work employs a distinctive alphabetical indexing of every word in the King James Version of the Bible, allowing readers to access original Hebrew and Greek terms alongside corresponding biblical verses. Strong's lucid and methodical style reflects a commitment to clarity and accessibility, which were groundbreaking in the 19th century as the work was produced during a period of burgeoning interest in textual studies and biblical exegesis. James Strong, an esteemed 19th-century Methodist scholar, dedicated his life to the academic study of the Bible, serving as a professor at Drew Theological Seminary. His passion for biblical languages and desire to make Scripture more comprehensible stemmed from the increasing divergence between faith and academic inquiry during his time. Strong's methodology reflects his aspiration to bridge this gap, providing both a scholarly resource and a tool for lay understanding. I highly recommend Strong's Bible Concordance to anyone seeking to deepen their understanding of the Scriptures. Whether you are a scholar seeking precise terminology or a novice eager to unveil the complexities of biblical texts, Strong's work remains a cornerstone of biblical study, enriching both personal reflection and academic inquiry.

Colossians David J. Landegent, 2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey
