newer reforms and reformers Often misconceptions marks the end of something great even before it reaches the goal set prior start This book reflects on the ideas and questions that resides within the newer generation craving for betterment in the current existent situation and society We plan to reach out to more people who has similar thoughts and ideas at times even better but hasn t reached out yet We hope the insights of this book will not fail to impress and draw attention for its ideal to be fulfilled Our solo moto is to break the misconception and toxicity growing surrounding such lame and false The Mystery of Individuality Mark Perry, 2012-07-13 The Mystery of Individuality explores the nature of human individuality through twelve chapter mirrors whose main focal points are spirituality psychology sociology and love and also the meaning of sacred art The issues of leadership and justice as well as of politics and even crime are also examined in depth along with the roles of sexuality and marriage Finally man and woman are defined in the context of both cosmology and society with a special emphasis on the divine nature of a human being and what this entails morally and socially Perry bases his assessments on the guiding image of archetypal man namely of a being created in the image of God At the same time he does not shy away from addressing what the distortion of this archetype entails He asserts that in creating man God lent him his own immortal personhood namely all that we find most lovable in another human creature in other words his personality But finally the question for each of us comes down to remembering our divine essence without forgetting our human nothingness Gethsemane, Or, Incidents in the Great Sorrow William Poole Balfern, 1882 Genesis R. R. Reno, 2010 This addition to the well received Brazos Theological Commentary on the Bible offers a theological exeges of A Companion to Plato's Republic for English Readers Bernard Bosanguet, 1895 Genesis *Tragedies* Sophocles, 1833

Song of Songs ,2011-04-26 The book puts forward a literal interpretation of the Song of Songs which the author sees as advancing a theology of human love From the literary angle particular importance is awarded to the structure of the poem highlighting its strongly unitary character May She Have a Word with You? S T Kimbrough Jr.,2019-08-13 Perhaps Charles Wesley s two volumes of Funeral Hymns 1746 and 1759 plus a few poems left in manuscript form are the least known of his poetical corpus They are a treasury however of his views on the importance of women in eighteenth century England as examples of how to live the Christian life Entries in his MS Journal indicate an extremely positive relationship with women who are his coequals in mission and in the Methodist societies and much of the work depended on them Furthermore Charles wrote numerous poems about women often occasioned by death which lift up individual women as models for the community at large and the church The intent of this volume is not to present a historical survey of these women or their historical place per se in the early Methodist movement rather the primary goal is to discover a literature that helps us to see the values which women had in the early Methodist movement and how those values were acknowledged recorded and fostered or encouraged by Charles Wesley particularly in his poetry The title May She Have a Word with You suggests there is a need today to hear of these women's exemplary words deeds and lives as a whole
