Love Is Shown In Little Ways:

Little Ways To Say I Love You Marjabelle Young Stewart, 1992-01-15 How many times has your day been enhanced by one small unnecessary gesture A romantic and unexpected note from a lover or spouse A single flower from a long out of touch sister A funny cartoon or a basket of just picked summer fruits sent for no reason but to brighten your day Such things aren't earth shattering but the pleasure we get from them as either receiver or giver often far outweighs the size of the gesture itself Little Ways to Say I Love You is a compendium of suggestions and ideas from the sweet to the sexy the simple to the sublimely fantastic to help you show love to all the people in your life husbands and wives lovers and friends moms dads and even kids It's filled with imaginative ways to rekindle a romance get back in touch with your kids and family and stay close to those friends who were so hard to find

The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine ,1885 Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus Fr.

Emmanuel Javert Nnadozie OCD,2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their

individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key **A Love So Fierce** R.J.
