DeFrain, 1997 This introduction to marriage and the family accentuates the positive aspects of relationships and focuses on enriching students' knowledge and experience in building strong, successful relationships. A variety of personal assessments and end-of-chapter exercises are provided to increase student understanding of interpersonal relationships.

Putting on the Mind of Christ Jim Marion, 2011-11-01 Jim Marion's book returns us to the central challenge Christianity ought to be handing us. Indeed, how do we put on the mind of Christ? How do we see through his eyes? How do we feel through his heart? How do we learn to respond to the world with that same wholeness and healing love? That's what Christian orthodoxy really is all about. It's not about right belief; it's about right practice. Cynthia Bourgeault, author of *The Wisdom Jesus*, asks, "What does it mean to follow the path of Christ today?" *Putting on the Mind of Christ* is the first book to offer an integral understanding of the Christian spiritual path, one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology. American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ, how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ. He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget, Carol Milligan, and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven, the highest level of spiritual development. Marion

shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century Christianity
