

A person with long dark hair, seen from behind, wearing a dark, form-fitting outfit with a glowing orange collar. They are looking out over a dystopian cityscape at night, with smoke rising from buildings and red lights visible in the distance. The overall tone is dark and atmospheric.

Black Utopia Alex Zamalin, 2019-08-20 Within the history of African American struggle against racist oppression that often verges on dystopia a hidden tradition has depicted a transfigured world Daring to speculate on a future beyond white supremacy black utopian artists and thinkers offer powerful visions of ways of being that are built on radical concepts of justice and freedom They imagine a new black citizen who would inhabit a world that soars above all existing notions of the possible In Black Utopia Alex Zamalin offers a groundbreaking examination of African American visions of social transformation and their counterutopian counterparts Considering figures associated with racial separatism postracialism anticolonialism Pan Africanism and Afrofuturism he argues that the black utopian tradition continues to challenge American political thought and culture Black Utopia spans black nationalist visions of an ideal Africa the fiction of W E B Du Bois and Sun Ra's cosmic mythology of alien abduction Zamalin casts Samuel R Delany and Octavia E Butler as political theorists and reflects on the antiutopian challenges of George S Schuyler and Richard Wright Their thought proves that utopianism rather than being politically immature or dangerous can invigorate political imagination Both an inspiring intellectual history and a critique of present power relations this book suggests that with democracy under siege across the globe the black utopian tradition may be our best hope for combating injustice

Living in the Light Derrick McCaron,2013-05-24 The letters of John are some of the most simple yet profound texts in the New Testament The Apostle John wrote three epistles at the close of the first century to counteract the heresy of Gnosticism and to focus on what it meant to know God by walking in His light He contrasted the Christian life in stark opposites light and darkness love and hatred truth and lies life and death In *Living in the Light* Derrick McCaron reveals the heart of John s message salvation is not found in hidden secret knowledge but in the fellowship of Christ Moreover the evidence of salvation is seen by loving others abiding in the truth and obedience to God s commands *Living in the Light* is a verse by verse commentary on the epistles of John This volume is ideal for believers who are looking to go deeper in their discipleship with Christ With an emphasis on practical application and precise exposition this book will enhance the reader s personal Bible study

John Chrysostom on Divine Pedagogy David Rylaarsdam,2014-10-30 Contrary to the portrayals of Chrysostom as a theologically impaired moralizing sophist this book argues that his thinking is remarkably coherent when it is understood on his own terms and within his culture Chrysostom depicts God as a teacher of philosophy who adaptably guides people toward salvation Since the theme of divine adaptability influences every major area of Chrysostom s thought

tracing this concept provides a thorough introduction to his theology. It also explains at least in part several striking features of his homilies including his supposed inconsistencies, his harsh rhetoric and apparent political naivete, his intentionally abridged and exoteric theological discussions and his lack of allegiance to an Antiochene school. In addition to illuminating such topics, the concept of adaptability stands at one of the busiest intersections of Late Antique culture for it is an important idea found in rhetoric and discussions about the best methods of teaching philosophy. Consequently, adaptability is an ingredient in the classical project of *paideia*, and Chrysostom is a Christian philosopher who seeks to transform this powerful tradition of formation. He gives his Christianized *paideia* a theological foundation by adapting and seamlessly integrating traditional pedagogical methods into his reading and communication of Scripture. David Rylaarsdam provides an in-depth case study of one prominent leader's attempt to transform culture by forming a coherent theological discourse that was adapted to the level of the masses.

It speaks directly to your heart and empowers you to do what God said in His word. Jesus Christ spoke to His audience including you and I. If you love me, keep my commandments. John 14:15 The whole duty of man is to fear God and to keep His commandments. Ecclesiastes 12:13 Yes, God smiles when He sees His children doing what He said.
