Love Letters from Heaven Debbie Peterson, 2018-01-17

After a failed miserable marriage Katie Adelton vowed she would never let another man into her life All of that changed with a single visit to the Normandy American Cemetery and an encounter with a handsome ghost from World War II A ghost that to her utter astonishment claimed to be her soul mate Sergeant William Malloy Griffin willingly gave his life for his country on the shore of Omaha Beach on D Day From that day forward he searched the entire earth for his lost love Once he found her it took everything in his power to break through the barrier that kept them apart Now a vengeful ghost is intent on destroying the heart of the only woman William will ever love What if the power of love can't conquer all

Ancient Love Letters Anna Tiziana Drago, Owen Hodkinson, 2023-01-30 This volume investigates the form of love letters and erotic letters in Greek and Latin up to the 7th Century CE encompassing both literary and documentary letters the latter inscribed and on papyrus and prose and poetry The potential for and utility of treating this large and diverse corpus as a genre is examined To this end approaches from ancient literary criticism and modern theory of genre are made mutual influences between the documentary and the literary form are sought and origins in proto epistolary poetic texts are examined In order to examine the boundaries of a form limit cases which might have less claim to the label love letter are compared with more clear cut examples A series of case studies focuses on individual letters and letter collections Some case studies situate their subjects within the history and literary evolution of the love letter using both intertextuality and comparative approaches others placing them in their cultural and historical contexts particularly uncovering the contribution of epistolarity to erotic discourse and to the history of sexuality and gender in diverse eras and locations within Classical to Late Antiquity

Women Writers and Experimental Narratives Kate Aughterson, Deborah Philips, 2021-01-23 This book explores the history of women's engagement with writing experimentally Women writers have long used different narratives and modes of writing as a way of critiquing worlds and stories that they find themselves at odds with but at the same time as a way to participate in such spaces Experimentation of style mode voice genre and language has enabled women writers to be simultaneously creative and critical engaged in and yet apart from stories and cultures that have so often seen them as other This collection shows that women writers in English over the past 400 years have challenged those ideas not only through explicit polemic and alternative representations but through disrupting the very modes of

representation and story itself Aphra Behn Mary Ann O'Donnell, 2017-03-02 This annotated bibliography constitutes a thoroughly revised and more easily readable study of Behn's publications of those edited or translated by her of publications that included her works and of writings ascribed to her along with an annotated bibliography of over 1600 works about her from 1671 to 2001 with an unannotated update covering 2002 The augmented primary bibliography describes all known editions and issues of her works to 1702 and adds a catalogue of editions to 2002 including on line sources The secondary bibliography adds close to 1000 items published since 1984 to the original 600 of the first edition along with about 175 more from 1671 to 1984 with attention to materials not in English New appendices include a list of dedicatees actors recent productions with reviews and provenances This volume will be invaluable for book dealers collectors and librarians as well as students and scholars of Aphra Behn and of Restoration literature

Statesmanship Various, 2019-11-28 No British periodical or weekly magazine has a richer and more distinguished archive than *The New Statesman* which has long been at the centre of British political and cultural life Some astonishing things were first published in its pages great poems such as W B Yeats Easter 1916 and Edward Thomas's Adlestrop H G Wells interview with Stalin in 1934 C P Snow's Two Cultures essay Christopher Hitchens final interview conducted by Richard Dawkins and Hugh Grant's The bugger bugged Most of the great political and cultural writers of the recent past have written for *The New Statesman* Many have been on its staff or were associates of it George Bernard Shaw John Maynard Keynes V S Pritchett Paul Johnson and John Gray The most significant intellectual and cultural currents of the age ripple through its pages Many of the radical causes of our times were launched in association with or in the pages of *The New Statesman* For example the Campaign for Nuclear Disarmament CND and Charter 88 There is too a rich history of illustration and cartoons to draw on from Low's sketches of the great and the good to the gonzo art of Ralph Steadman and Will Self's early comic strips The book is more than an anthology It tells the story of the *New Statesman* from the eve of the First World War to the long aftermath of 9 11 and the Great Recession through which we are still passing It looks forward as well as back offering a unique and unpredictable perspective on the world

Sherwood Anderson's Secret Love Letters Sherwood Anderson, Ray Lewis White, 1999-03-01 In 1927 tired of the literary life of New York City New Orleans and Chicago a famous but aging American writer named Sherwood Anderson 1876 1941 author of *Winesburg Ohio* 1919 and other short stories in which he virtually invented the modern American short story moved to rural Southwest Virginia to write for and edit two small town weekly newspaper that he owned the *Marion Democrat* and the *Smyth County News* Living again among the small town figures with whom he was usually most content William Faulkner Thomas Wolf and indeed an entire generation of the greatest American writers worked for several years at making his newspaper nationally famous while struggling to come to terms with a life threatening psychological depression and a failing third marriage Both of Anderson's midlife problems were complicated when he met Eleanor Copenhaver lovely young daughter in one of the prominent first families of Marion and a career social worker for the YWCA Trying to keep their

ardent affair secret in the small town Anderson avidly courted the socially prominent and much younger Miss Copenhaver while at the same time trying to free himself from his embittered third wife and overcome the disadvantages of his age and his lover's family's distrust of him. Having by the end of 1931 continued for three years his surreptitious and consuming affair with Miss Copenhaver, Anderson determined on the first day of 1932 that the new year should be the year of decisions for him to gain his love in marriage or perhaps to end his life and he began the new year with a creative venture unique in literature. Starting on January 1, Anderson secretly wrote and hid away for Eleanor Copenhaver to find after his eventual death one letter each day, letters that she should someday discover whether they had ever become married or not and thereby relive in her memory their days of intense lovemaking, a mutual despair about their then unlikely marriage. Found by Eleanor Copenhaver, Anderson only at Sherwood Anderson's death in 1941 and then preserved intact by this grieving widow who had married Anderson in 1933, the carefully hidden letters of 1932 recording their intense and seemingly doomed love affair have remained secret until now. Chosen by Eleanor Copenhaver Anderson before her death in 1985 to publish her husband's secret love letters, Anderson scholar Ray Lewis White has prepared a fascinating edition of these unique letters for the enjoyment of students and scholars of literature as well as for all other readers who savor compelling and inspiring stories of loss and love.

Moved by Love Mary D. Sheriff, 2008-10-30 In eighteenth century France the ability to lose oneself in a character or scene marked both great artists and ideal spectators. Yet it was thought this same passionate enthusiasm if taken to unreasonable extremes could also lead to sexual deviance, mental illness, even death. Women and artists were seen as especially susceptible to these negative consequences of creative enthusiasm and women artists doubly so. Mary D. Sheriff uses these very different visions of enthusiasm to explore the complex interrelationships among creativity, sexuality, the body, and the mind in eighteenth century France. Drawing on evidence from the visual arts, literature, philosophy, and medicine, she portrays the deviance ascribed to both inspired men and women. But while various mythologies worked to normalize deviance in male artists, women had no justification for their deviance. For instance, the mythical sculptor Pygmalion was cured of an abnormal love for his statue through the making of art. He became a model for creative artists living happily with his statue come to life. No happy endings though were imagined for such inspired women writers as Sappho and Heloise who burned with erotomania; their art could not quench. Even so, Sheriff demonstrates the perceived connections among sexuality, creativity, and disease also opened artistic opportunities for creative women to take full advantage of them. Brilliantly reassessing the links between sexuality and creativity, artistic genius and madness, passion and reason, *Moved by Love* will profoundly reshape our view of eighteenth century French culture.

Proofs of Genius Amanda Gailey, 2015-10-20 *Proofs of Genius: Collected Editions from the American Revolution to the Digital Age* is the first extensive study of the collected edition as an editorial genre within American literary history. Unlike editions of an author's selected works or thematic anthologies which clearly indicate the presence of non-authorial editorial intervention, collected editions have typically been arranged to

imply an unmediated documentary completeness By design the collected edition obscures its own role in shaping the cultural reception of the author In *Proofs of Genius* Amanda Gailey argues that decisions to re edit major authorial corpora are acts of canon formation in miniature that indicate more foundational shifts in the way a culture views its literature and itself By combining a theoretically informed approach with a broad historical view of collected editions from the late eighteenth century to the present including the rise of digital editions Gailey fills a gap in the textual scholarship of the editing history of major figures like Emily Dickinson and Walt Whitman and of the American literary canon itself **The Family Herald** ,1852

Love Letters Bryan Mooney,2011-12-22 My Dearest Darling the love letters began and try as she might she could not stop reading the letters she found in the old books After reading one she was compelled to reach for another Her curiosity urged her on She could not stop If you found a love letter in an old book would you read it Suppose you purchased some books from a bookseller at a flea market and upon returning home discovered love letters inside what would you do Would you read the letters Would you try to return them Would you destroy them That is the dilemma that Katie Kosgrove finds herself in when she discovers love letters written by the man she knows only as Jack Curious but unable to locate him to return the love letters she begins to read The letters all begin with the same greeting My Dearest Darling and they each end with Forever Jack The letters start to transform her life in ways that she never would have imagined She is thankful to the handsome stranger she met only once Katie knows exactly what she would say to him if she were to ever see him again until one day he reappears back in her life Their world begins to change once more but the letters have an awesome power over both of them until **Mary, A Fiction and The Wrongs of Woman, or Maria** Mary Wollstonecraft,2012-04-05 Mary Wollstonecraft wrote these two novellas at the beginning and end of her years of writing and political activism Though written at different times they explore some of the same issues ideals of femininity as celebrated by the cult of sensibility the unequal education of women and domestic subjugation Mary counters the contemporary trend of weak emotional heroines with the story of an intelligent and creative young woman who educates herself through her close friendships with men and women Darker and more overtly feminist *The Wrongs of Woman* is set in an insane asylum where a young woman has been wrongly imprisoned by her husband By presenting the novellas in light of such texts as Wollstonecraft's letters her polemical and educational prose similar works by other feminists and political reformists the literature of sentiment and contemporary medical texts this edition encourages an appreciation of the complexity and sophistication of Wollstonecraft's writing goals as a radical feminist in the 1790s *An Englishman's Love-letters* Thomas William Hodgson Crosland,1901

Love-Letters between a Noble-man and his Sister. (Love-Letters from a Noble-man to his Sister: mixt with the history of their adventures.-The Amours of Philander and Silvia: being the third and last part of the Love-Letters between a Noble-man and his Sister.) Letters supposed to have passed between Ford Grey, Earl of Tankerville, and his sister-in-law Lady Henrietta Berkeley, but in reality written by Aphra Behn. The dedicatory epistle in vol.

2 and 3 signed A. B., i.e. Aphra Behn A. B.,1712 Love-Letters between a Nobleman and his Sister: with the history of their adventures ... The third edition. [By Aphra Behn.] ,1708 *Love-letters Between a Nobleman and His Sister* Aphra Behn,1712 *The Galician Works of Ramón Del Valle-Inclán* Ann Frost,2010 Ramón del Valle Inclán 1866 1936 was undoubtedly the most controversial literary figure of his generation Whilst his genius was recognised by fellow writers the reading public was slow to accept his work and his theatre taxed directors and audiences alike One of the harshest criticisms levelled against him concerned his use of repetition This study shows how the reuse recycling and development of material becomes one of the hallmarks of Valle Inclán's writing during the first three decades of his literary career linking one genre with another and blurring the borders between different aesthetics The repetition of themes and motifs characters and stylistic devices reveals an underlying interdependence among works that on the surface appear unconnected or even contradictory Many of Valle Inclán's works have been studied in isolation rather than as pieces of a whole This book examines the elements that provide significant links in his writing between 1889 and 1922 most of which shares the common backdrop of Galicia and demonstrates that apparently unrelated works are part of a larger picture Despite changes in perspective and genre there are constants that relate individual works to those that precede and follow creating a unifying pattern of continuity
