Reece, 2021-09-01 Marriage globally is undergoing profound change provoking widespread public comment and concern Through the close ethnographic examination of case studies drawn from Africa Asia Europe and North America Marriage in

Past Present and Future Tense places new and changing forms of marriage in comparative perspective as a transforming and also transformative social institution In conditions of widespread socio political inequality and instability how are the personal the familial and the political co produced How do marriages encapsulate the ways in which memories of past lives present experience and imaginaries of the future are articulated Exploring the ways that marriage draws together and distinguishes history and biography ritual and law economy and politics in intimate family life this volume examines how familial and personal relations and the ethical judgements they enfold inform and configure social transformation Contexts that have been partly shaped through civil wars cold war and colonialism as well as other forms of violent socio political rupture offer especially apt opportunities for tracing the interplay between marriage and politics But rather than taking intimate family life and gendered practice as simply responsive to wider socio political forces this work explores how marriage may also create social change Contributors consider the ways in which marital practice traverses the domains of politics economics and religion while marking a key site where the work of linking and distinguishing those domains is undertaken

**Women in Medieval Europe 1200-1500** Jennifer Ward,2016-04-14 Women in Medieval Europe explores the key areas of female experience in the later medieval period from peasant women to Queens It considers the women of the later Middle Ages in the context of their social relationships during a time of changing opportunities and activities so that by 1500 the world of work was becoming increasingly restricted to women The chapters are arranged thematically to show the varied roles and lives of women in and out of the home covering topics such as marriage religion family and work For the second edition a new chapter draws together recent work on Jewish and Muslim women as well as those from other ethnic groups showing the wide ranging experiences of women from different backgrounds Particular attention is paid to women at work in the towns and specifically urban topics such as trade crafts healthcare and prostitution The latest research on women gender and masculinity has also been incorporated along with updated further reading recommendations This fully revised new edition is a comprehensive yet accessible introduction to the topic perfect for all those studying women in Europe in the later Middle Ages

**Metaphor and Political Discourse** A. Musolff,2004-08-04 Far from being rhetorical ornaments metaphors play a central role in public discourse as they shape the structure of political categorisation and argumentation Drawing on a very large bilingual corpus this book now in paperback analyses the distribution of metaphor scenarios in more than a decade of public discourse on European integration elucidating differences in UK and German attitudes and argumentation The corpus analysis leads to a refinement of cognitive metaphor theory by systematically relating conceptual semantic and argumentation levels and incorporating the historical dimension of metaphor evolution Finally drawing on examples of metaphor negotiation and on a reassessment of Hobbes concept of metaphor in Leviathan the book highlights the ethical dimension of metaphor in politics

WOMAN AND FAMILY IN RECENT INDIAN FEMINIST FICTION IN ENGLISH: A SELECT STUDY G. RUBY DAVASEELI, Women, Education, And Family Structure In India Carol

C Mukhopadhyay,2021-11-28 Five decades of independence have produced dramatic increases in womens educational achievements in India but education for girls beyond a certain level is still perceived as socially risky Based on ethnographic data and historical documents this book explores the origins of that paradox Contributors probe the complex relationships between traditional Indian social institutions the joint family arranged marriage dowry and purdah or sexual segregation and girls schooling They find that a patrifocal family structure and ideology are often at the root of different family approaches to educating sons and daughters and that concern for marriageability still plays a central role in womens educational choices and outcomes *The SAGE Encyclopedia of Marriage, Family, and Couples Counseling* Jon Carlson,Shannon B.

P. Lewis, 2006 A series which is a model of its kind EDMUND KING HISTORY The latest volume in the series concentrates as always on the half century before and the century after 1066 with papers which have many interconnections and range across different kinds of history There is a particular focus on church history with contributions on an Anglo Saxon archiepiscopal manual architecture and liturgy in post Conquest Lincolnshire Anglo Norman cathedral chapters and twelfth century views of the tenth century monastic reform Other topics considered include social history the Anglo Norman family gender William of Malmesbury s representation of Bishop Wulfstan of Worcester and politics the sheriffs of Northumberland and Cumberland 1170 1185 The volume is completed with articles on Domesday Book and the post Domesday Evesham Abbey surveys and a double paper on land tenure and royal patronage Contributors STEPHEN BAXTER JOHN BLAIR HOWARD CLARKE TRACEY ANN COOPER HUGH DOHERTY PAUL EVERSON DAVID STOCKER KIRSTEN FENTON VANESSA KING JOHN MOORE NICOLA ROBERTSON DAVID ROFFE [Understanding Marriage, Family, and Intimate Relationships](#) Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and

establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one's life It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students' concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting [www.understandingrelationships.net](http://www.understandingrelationships.net)

Family Medicine J. L. Buckingham, E. P. Donatelle, W. E. Jacott, M. G. Rosen, Robert B. Taylor, 2013-06-29 This Second Edition of Family Medicine Principles and Practice presents a scientific approach to health and illness in the context of mankind's most enduring societal unit the family This is a new book building on the strengths of the First Edition The emphasis of this book like that of the specialty itself is on the clinical delivery of health care that is how the practitioner manages common problems and recognizes uncommon entities encountered in office hospital home and nursing home In the First Edition we were faced with the problem of how to organize a family medicine textbook that dealt with clinical topics yet represented more than a series of essays on the specialties for the generalist reader We began by identifying specific objectives outlined in the preface to the First Edition From this evolved an approach which has been called the biopsychosocial perspective inclusion of behavioral family social and cultural aspects of health care integrated with the traditional manifestations and management textbook model The First Edition also introduced a comprehensive classification of clinical problems in family medicine now used in curriculum planning in many family practice residency programs

The Modern Family in Japan Chizuko Ueno, 2009 This award winning book brings together Chizuko Ueno's groundbreaking essays on the rise and fall of the modern family in Japan Combining historical sociological anthropological and journalistic methodologies Ueno who is arguably the foremost feminist theoretician in Japan delineates in vivid detail how the family has been changing in form and function in the last hundred

years In each chapter Ueno introduces the reader to a different facet of modern Japanese family life ranging from children who fantasize about being orphans to the elderly who confront pre senescence The central focus is on the housewife her history her ever changing responsibilities her ways of surviving mid life crisis This is an indispensable book for students and scholars seeking to understand modern Japan      **The United States Catalog** ,1903
