path of greater self understanding and increase the possibilities of finding an enduring love **He Loves Me, He Loves Me Not** Kathleen Palmer Terry, 2018-02-05 I became the keeper of secrets and there were consequences With my silence I protected my children and allowed them to forever see their father as a hero but I had also given my husband a clean slate upon which he could rewrite his history minus the embarrassing part At first silence was the glue that bound us together then it was the weight under which we crumbled Cheaters are selfish people In fact the most damning thing about cheating is that it reveals a lack of caring for and commitment to the whole family unit not just one's spouse I'm cheating because I care about my family so much more than my selfish desires said no person ever Infidelity and the drama it creates have been around since the beginning of time As a result there is no shortage of advice on how to prevent it what to do once it starts or how to pick up the pieces once it ends if it ends Why do some marriages survive and others dissolve in the aftermath Is there some magic ingredient present in enduring relationships Is it possible to heal as individuals yet fail to heal as a couple In this deeply personal and intuitive book one woman of faith tells her story of love disillusionment and resilience in a down to earth upbeat and sometimes humorous style that reflects the strength that comes from knowing God loves us that he is in charge and that he has the desire and ability to shape us into better people through our adversity It will persuade you that although we live in an age of throw away marriages there are still those who believe traditional values exist that a family is a sacred commitment that giving up is not an option *Secret Lovers: Affairs Happen ... How to Cope* Luann Linquist, 1991-03-15 Anecdotes and discussion by a psychologist lecturer **Love Devotion Hell** C.T.
