Love Of Ovid

Ovid

Love Of Ovid:

The Art of Love Roy Gibson, Steven Green, Alison Sharrock, 2007-01-04 The Art of Love celebrates the bi millennium of Ovid's cycle of sophisticated and subversive didactic poems on love traditionally assumed to have been brought to completion around AD 2. *Ars Amatoria* The Art of Love and *Remedia Amoris* Cures for Love which purport to teach young Roman men and women how to be good lovers were partly responsible for the poet's exile from Rome under the emperor Augustus. None the less they exerted great influence over ancient and later love poetry. This is the first collection in English devoted to the poems and brings together many of the leading figures in the field of Latin literature and Ovidian studies from the British Isles, Germany, Italy and the United States. It offers a range of perspectives on the poetics, politics and erotics of the poems beginning with a critical survey of recent research and concluding with papers on the ancient, medieval and modern reception of the poems. Ovid's Games of Love Molly Myerowitz, 1985

The Art of Love Ovid, 2013-02-20 In the first century AD Ovid, author of the groundbreaking epic poem *Metamorphoses*, came under severe criticism for *The Art of Love* which playfully instructed women in the art of seduction and men in the skills essential for mastering the art of romantic conquest. In this remarkable translation James Michie breathes new life into the notorious Roman's mock didactic elegy. In lyrical, irreverent English he reveals love's timeless dilemmas and Ovid's enduring brilliance as both poet and cultural critic.

The Love Books Ovid, 2021-12-13 The Love Books of Ovid is a collection of four works of Roman poet Ovid's verses on love in English prose translation. Ovid, born in 43 BC, a contemporary of Virgil and Horace, lived during the reign of Augustus and is perhaps best remembered today for his work on Roman mythology entitled *The Metamorphoses*. This volume collects the poet's following works: *The Loves*, *The Art of Love*, *Loves Cure* and *The Art of Beauty*. Ovid was an innovator in the writing of love poetry in that he changed the focus of the poem from the poet to love itself and examined the effect of love on people. These works were considered controversial in their time and many scholars believe that Ovid's *The Art of Love* was the cause of his life-long banishment by Augustus to a remote province on the Black Sea. Considered to be a master of the elegy form of poetry which are poems of lamentation and mourning and the last of the Latin love elegists, Ovid is faithfully represented here in this English prose translation. Students of classical literature and fans of romantic poetry will both delight in this volume of works by a poetic master. This edition follows the translation of J. Lewis May. *Ovid, the Love Poems* Ovid, 1990 Ovid's love poetry like everything else he wrote was original and innovative. Yet under the surface of the poet's characteristic wit runs an undercurrent of serious meaning: the theme of the poet's complete control of his medium and his art and a proud consciousness of achievements registered and yet to come. Ovid claimed to be the Virgil of elegy and in such poetry as *Amores*, *Ars Amatoria* and *Remedia Amoris* he largely succeeded. These accomplished translations of the love poetry adopt a highly entertaining modern idiom yet maintain the sophisticated elegance of Ovid's Latin. Melville, the acclaimed translator of the *Metamorphoses*, employs rhyme throughout and evolves an original metrical system that gives a

greater sense of Ovid's elegaic couplets than earlier systems. He also includes with some revisions B. P. Moore's brilliant version of *Ars Amatoria* published over fifty years ago and still unequalled. *Ars Amatoria* Ovid, Henry T. Riley, 2018-01-08

Thank you for checking out this book by Theophania Publishing. We appreciate your business and look forward to serving you soon. We have thousands of titles available and we invite you to search for us by name, contact us via our website, or download our most recent catalogues. Should any one of the people not know the art of loving, let him read me and taught by me on reading my lines, let him love. By art the ships are onward sped by sails and oars; by art are the light chariots; by art is Love to be guided. In the chariot and in the flowing reins was Automedon skilled in the Hemonian ship of Jason. Tiphys was the pilot. Me too skilled in my craft has Venus made the guardian of Love. Of Cupid the Tiphys and the Automedon shall I be styled. Unruly indeed he is and one who oft rebels against me, but he is a child, his age is tender and easy to be governed. The son of Philyra made the boy Achilles skilled at the lyre and with his soothing art he subdued his ferocious disposition. He who so oft alarmed his own companions, so oft the foe is believed to have stood in dread of an aged man full of years. Those hands which Hector was doomed to feel at the request of his master, he held out for stripes as commanded. Chiron was the preceptor of the grandson of Aeneas. I of Love. Both of the boys were wild, both of a Goddess born. But yet the neck of even the bull is laden with the plough and the reins are champ'd by the teeth of the spirited steed. To me too will Love yield, though with his bow he should wound my breast and should brandish his torches hurled against me. The more that Love has pierced me, the more has he relentlessly inflamed me, so much the fitter avenger shall I be of the wounds so made. **Ovid's Art of Love, in Three Books, Together with His Remedy of Love** Ovid, 1977-01-01 *Ovid's Art of Love, in Three Books* Ovid, 1758 **Thomas Heywood's Art of Love** Ovid, 2000 *The English Art of Love* *Ovid's Art of Love, in Three Books* Ovid, 1725 **Ovid's Erotic Poems** Ovid, 2014-09-16

The most sophisticated and daring poetic ironist of the early Roman Empire, Publius Ovidius Naso is perhaps best known for his oft-imitated *Metamorphoses*. But the Roman poet also wrote lively and lewd verse on the subjects of love, sex, marriage, and adultery, a playful parody of the earnest erotic poetry traditions established by his literary ancestors. The *Amores*, Ovid's first completed book of poetry, explores the conventional mode of erotic elegy with some subversive and silly twists; the poetic narrator sets up a lyrical altar to an unattainable woman only to knock it down by poking fun at her imperfections. *Ars Amatoria* takes the form of didactic verse in which a purportedly mature and experienced narrator instructs men and women alike on how to best play their hands at the long con of love. Ovid's *Erotic Poems* offers a modern English translation of the *Amores* and *Ars Amatoria* that retains the irreverent wit and verve of the original. Award-winning poet Len Krisak captures the music of Ovid's richly textured Latin meters through rhyming couplets that render the verse as playful and agile as it was meant to be. Sophisticated, satirical, and wildly self-referential, Ovid's *Erotic Poems* is not just a wickedly funny send-up of romantic and sexual mores, but also a sharp critique of literary technique and poetic convention. **Ovid: The art of love, and other poems** Ovid, 1977 *Ovid's Art of Love. in Three Books. Together with*
