McEwan, Jim Good, 2021-06-21 In the Gospels we encounter many people who were shunned by their society because they lived with some form of impairment In stark contrast Jesus embraces these people and offers compassion without condescension relationship without ulterior motive and provides them with practical help Subsequent history has rarely matched his ministry particularly for people living with intellectual impairment and their families Based on personal interviews with a number of families who have children living with intellectual impairment two major challenges constantly impacted them a longing for people to treat their child as a person and to form genuine friendships with them Written from a Wesleyan perspective this book seeks to address these two issues from a theological and pastoral perspective It offers practical help for anyone to initiate and develop healthy friendships with people who live with moderate to severe intellectual impairment their families and carers      *John & Charles Wesley*, 2011-09-22 John and Charles Wesley provide a vision of God that beckons to anyone interested in a spiritual life John Wesley 1703 1791 Anglican priest theologian and church reformer and his brother Charles Wesley 1707 1788 one of the greatest hymn writers of all time co founded Methodism a major movement of Christian renewal Their vision of Christian discipleship included important spiritual practices that fueled the revival of the eighteenth century Church of England Their holistic theology spirituality affords guidance for the contemporary spiritual seeker who yearns for greater meaning and purpose in life This unique presentation of the writings of these two inspiring brothers brings together some of the most essential material from their large corpus of work While John articulated his vision of Christianity through many sermons journals and theological treatises Charles expressed his theology in lyrical form through some nine thousand hymns and devotional poems These excerpts from Charles and John Wesley with probing facing page commentary will provide insight not only into the renewal of dynamic and vital Christianity but into the struggles and concerns of all who seek
