Magic in Ancient Greece and Rome Lindsay C. Watson, 2019-05-02 Parting company with the trend in recent scholarship to treat the subject in abstract highly theoretical terms Magic in Ancient Greece and Rome proposes that the magic working of antiquity was in reality a highly pragmatic business with very clearly formulated aims often of an exceedingly malignant kind In seven chapters each addressed to an important arm of Greco Roman magic the volume discusses the history of the rediscovery and publication of the so called Greek Magical Papyri a key source for our understanding of ancient magic the startling violence of ancient erotic spells and the use of these by women as well as men the alteration in the landscape of defixio curse tablet studies by major new finds and the confirmation these provide that the frequently lethal intent of such tablets must not be downplayed the use of herbs in magic considered from numerous perspectives but with an especial focus on the bizarre seeming rituals and protocols attendant upon their collection the employment of animals in magic the factors determining the choice of animal the uses to which they were put and the procuring and storage of animal parts conceivably in a sorcerer s workshop the witch as a literary construct the clear homologies between the magical procedures of fictional witches and those documented for real spells the gendering of the witch figure and the reductive presentation of sorceresses as old risible and ineffectual the issue of whether ancient magicians practised human sacrifice and the illuminating parallels between such accusations and late 20th century accounts of child murder in the context of perverted Satanic rituals By challenging a

number of orthodoxies and opening up some underexamined aspects of the subject this wide ranging study stakes out important new territory in the field of magical studies **Daughters of Hecate** Kimberly B. Stratton,Dayna S.

Kalleres,2014-10-01 Daughters of Hecate unites for the first time research on the problem of gender and magic in three ancient Mediterranean societies early Judaism Christianity and Graeco Roman culture The book illuminates the gendering of ancient magic by approaching the topic from three distinct disciplinary perspectives literary stereotyping the social application of magic discourse and material culture The authors probe the foundations of processes and motivations behind gendered stereotypes beginning with Western culture s earliest associations of women and magic in the Bible and Homer s Odyssey Daughters of Hecate provides a nuanced exploration of the topic while avoiding reductive approaches In fact the essays in this volume uncover complexities and counter discourses that challenge rather than reaffirm many gendered stereotypes taken for granted and reified by most modern scholarship By combining critical theoretical methods with research into literary and material evidence Daughters of Hecate interrogates a false association that has persisted from antiquity to early modern witch hunts to the present day *Horace and Seneca* Martin Stöckinger,Kathrin Winter,Andreas

T. Zanker,2017-12-04 This volume sets out to explore the complex relationship between Horace and Seneca It is the first book that examines the interface between these different and yet highly comparable authors with consideration of their uvres in their entirety The fourteen chapters collected here explore a wide range of topics clustered around the following four themes the combination of literature and philosophy the ways in which Seneca s choral odes rework Horatian material and move beyond it the treatment of ethical poetic and aesthetic questions by the two authors and the problem of literary influence and reception as well as ancient and modern reflections on these problems While the intertextual contacts between Horace and Seneca themselves lie at the core of this project it also considers the earlier texts that serve as sources for both authors intermediary steps in Roman literature and later texts where connections between the two philosopher poets are drawn Although not as obviously palpable as the linkage between authors who share a common generic tradition this uneven but pervasive relationship can be regarded as one of the most prolific literary interactions between the early Augustan and the Neronian periods A bidirectional list of correspondences between Horace and Seneca concludes the volume **A**

Christian Theology of the Cross Allen George,2010-07-29 A CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between God s approval of Abel s offering and the establishment of the priesthood and names Genesis 4 7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4 9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abel s offering don t negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial

divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Murder's Eclipse Katie Appenheimer,2015-07-17 Chaos reigns as desperate invaders wreak havoc on a peaceful land A simple farmer loses everything his home health freedom and most of all his family After being saved from slavery he vows to rescue his wife and daughter Fuelled by revenge and love the farmer embarks upon a journey into a land of magic that will change him forever Constant hardships and moral dilemmas test his resolve and character Will he ignore those who need his help Can he betray friends who have aided him Tempted with dark magic he has to make a choice Meanwhile darkness has chosen him Unknowingly hunted by the man responsible for his misery the farmer is running out of time Can he find a way to save them before it is too late The Wishing Well can grant his wish but at what cost What is he willing to sacrifice to save what is his
