Satan's Strategy to Curse Christ's Congregation Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem *Herein is Love, Vol. 1: Genesis* Nancy

Ganz,2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary *Destroying Satanic Attacks* Okwudili Eze,2018-03-29 Our God is a man of war In the book of Psalm 144 1 the scripture says that He teaches our hands to do war Whenever there is a question mark in the destiny of a man causing delay there is always a strange personality sponsoring it When champions cannot excel there is a personality behind the veil **Learning to Stand Against the Attacks of Satan** Kenneth D. Reed Sr,2012-08 Satan has caused some believers to lower their standards and to place limitations on life by influencing them to think they can t do any better This book was written to be your weapon of resources to learn to stand against the attacks of Satan Jesus states in John 10 10 that the thief cometh not but for to steal and to kill and to destroy And to counter that Jesus says I am come that they might have life and that they might have it more abundantly Satan doesn t want to see you living in abundance and he doesn t want to see you walking upright with the Lord He comes to steal your riches kill your inheritance and destroy your faith in God But you can walk in the abundant life God intended You can fight and win It s time to gather your weapons Your greatest arsenal is to stand on the true word of God *The Thomas Watson Collection. Illustrated* Thomas Watson,2021-06-14 Thomas Watson was a 17th century minister at the church of St Stephen Walbrook in London As a pastor he set himself two goals First he wanted unbelievers to grieve over their fate and realize the necessity of God s grace On the other hand he wanted believers to rejoice in the assurance that they had received God s grace His books are simple but exciting commentaries with many practical examples and applications He explains the paradox that both good and bad events contribute to the benefit of believers He spends a great deal of time explaining what it means to love God and be called by His will In this book Watson manages to answer one of the most plaguing theological questions of all time Why do bad things happen to good people This eBook includes the following 14 volumes by Thomas Watson Body of Practical Divinity The Ten Commandments The Lord s Prayer The Beatitudes The Godly Man s Picture The Art of Divine Contentment A Treatise Concerning Meditation The Great Gain of Godliness The Doctrine of Repentance The Mischief of Sin A Divine Cordial The Christian Soldier The Christian s Charter The Duty of Self Denial *The Lord's Prayer , God's Plan for Good Mental Health* Ron E. Cole,2023-11-22 Many sincere Christians are in bondage to all sorts of addictions and bad habits that have become strongholds in their lives These strongholds can be anything from pornography drugs food sex gambling etc that ruin their marriages employment and most importantly their Christian witness I ve experienced the shame and guilt that comes with these sins and by God s grace the Lord revealed how to use His Word to pull down these strongholds I have written this book to help those who are frustrated with being on the roller coaster of guilt
