Imagine stepping into the spotlight of New York and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn't seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life **Gone to Suicide** Ann Clark,2020-02-07 Suicide is soul crushing for the survivors left behind This book gives an inside look at the heartbreak and devastation that a Colorado mother experienced after her seventeen year old son took his own life By being transparent about her son Brant's tragic death author Ann Clark hopes to help reduce the silence shame and secrecy that surround suicide Included in this book are examples of Clark's efforts to warn others about the role that marijuana played in her son's death Brant had a psychotic break immediately after heavy use of THC marijuana and this led to his suicide All the most important yet widely under reported scientific research about marijuana is documented in this book There is a national crisis when it comes to mental health care and the suicide rate in the US continues to increase at an alarming rate *Gone to Suicide* offers many insights for both suicide prevention and for survivor recovery Through the author's relentless pursuit to understand her son's death this book explores the transformative power in extreme loss and reveals how pain and sorrow can actually lead us to our purpose for being alive **True Refuge** Tara Brach,2013-01-22 From the award winning author of *Radical Acceptance* comes a healing and helpful meditation and a gracefully written spiritual gem on awareness refuge and presence Spirituality Practice This is a precious gift filled with insight shared from heart to heart Thich Nhat Hanh How do you cope when facing life threatening illness family conflict a
