Love Without Warning:

Love without Permission PND,2025-08-14 Have you ever paused at the edge of a decision not because of fear but because something within you began to whisper then to argue Before any action there is always that silent conversation two voices rising from the depths of our being One asks Is this right While the other demands Is this wise They weigh outcomes like ancient priests reading omens in smoke one draped in warmth and empathy the other cloaked in cold precision They are beautifully coordinated yet eternally at odds One feels the pain of others bends gently toward love and chooses kindness even when it costs everything The other is unyielding firm obsessed with advantage and victory In their struggle no one truly wins or loses but the choices they make echo in the lives around us We name them simply the heart and the mind The heart came first it gave us life throbbed in silence before even thought was born The mind came later dressed in intellect and strategy seizing control in the name of survival The mind reasons the heart remembers The mind calculates the heart connects Do not condemn the mind it is the architect of dreams turned real But the heart it is the soul's voice the keeper of all that is good and soft and true When you choose the heart over the mind you are not just deciding you are becoming That is the moment you are no longer a machine of flesh and thought but a human being capable of grace *Love Without Boundaries* A.
