Graves,1928 **The Queen of Lovers "We Need You."** Dr. Badal W. Kariye,2011-06-09 Preface I would like to tell you that the Queen of Lovers We need you is a fictional romantic novel based on multichannel travels for love and espionage in our world where people practice various lifestyles in love our Lord is The Most Gracious and The Most Merciful who made possible for us to interact and fall in love with each other Romance few people succeeded to keep their promises until one of them retires from sexual curiosity or dies It s very rare to meet your spouse as the government spymaster and if you didn t know before then you re highly at risk to be assassinated before you fizzle out her top level security clearance in some countries My Queen of lovers and I went to visit different continents such as Asia Australia Africa The Caribbean South America Parts of North America Weve met a lot of multicultural and multiracial nationalities who committed to live and work for better democracy in love than their governments which my Queen of lovers has been spying on I couldn t handle the devilish stress of espionage in top secrets from the governments which have been opposite to the national and security interests of our beloved country within the nations of many nationalities Love in destiny or without destiny well taste it carefully and legally but when you fall in love with spymaster then you ll always meet undetectable situations and anonymous hunters who can be anything with credentials from the government to cover up dirty jobs Don t be a victim of spymaster You better always ask before you make any relationship with somebody I love my Queen of lovers finally and you taught me a lot in governmental secrecy and how a spymaster acts as a romantic lover to use my linguistic abilities during secretive missions in various continents I love you my Queen
