Adrianne Leigh McEvoy

Loves Face:

Love Has a Face Michele Perry, 2009-09-01 Termites for dinner Bombs in the backyard A nation torn by decades of war still on the brink Can one life really make a difference Born without her left hip and leg Michele Perry is no stranger to seeming impossibilities So when she arrived in war torn Southern Sudan with little more than her faith in God's promises she did what everyone told her was crazy she opened a home for orphaned children in the middle of guerilla warfare territory and has now become mama to over one hundred little lives With a deft pen she recounts unforgettable stories of life in the bush stories that capture the reader with the stark realities of living in a war zone and the power of God's love to transform them Her own story is just as compelling as the ministry she is living From working in the slums of India to finding her home in war ravaged Africa Michele's life has been a journey deeper into the supernatural power of God Readers will be swept up in one woman's poignant spellbinding captivatingly honest journey of love and the glimpses of God's tender grace and mercy in the midst of a broken and hurting world

The Face of Love Ellen Zetzel Lambert, 1996-07-01 To see beauty as the face of love rather than the arbitrary gift of fortune is to enlarge our sense of life's possibilities A woman becomes beautiful when she believes that her appearance reflects her essential self Ellen Zetzel Lambert explores the connection of physical

appearance to self esteem through photography literature and life experience

Sex, Love, and Friendship Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond

The Forty Faces of God Dwayne Velasquez, 2018-06-26 In The Forty Faces of God I take you through scriptures that show you the characters of our God relating to the number 40 with the revelation of numbers Numbers have strong meaning in the kingdom of God We are destroyed by our lack of knowledge and that knowledge is of God For example the number 6 means to destroy the works of the devil David had a six hundred man army and the Star of David had six points and what did David do He destroyed the enemies of Israel Chapter 6 of Ephesians tells us how to destroy the fiery attacks of the enemy The number 40 means spiritual maturity and the more we know God the more we mature After you read this book you will know God in a much better way which will make you a much better disciple of

Jesus make you much stronger in your walk and display of the power God in your life in this evil and perverse world Dwayne Anthony Velasquez Hill was born April 9 1964 in the Abraham Lincoln Courts Housing Projects on the west side of San Antonio a gang and drug saturated neighborhood From his childhood he witnessed violence murder and drug dealing At seventeen he joined the US Navy after graduation After the Navy he abused alcohol and drugs and became a murderous minded person until he met his Lord and Savior Jesus Christ In and out of jail and twice in prison the Lord started to teach Dwayne his way in those lonely prison cells and he became a teacher of the gospel there in the jails and prisons Now being fully persuaded of his purpose Dwayne now goes into the prisons teaching and preaching the gospel of our Lord Jesus Christ

365 New Ways To Hug Your Love Dr. Hug, 2017-07-22 Enjoy a great new way to hug every day From hugs to be healthy and happy to hugs to refresh and have fun enjoy 365 new ways to hug your love This book is fun for everyone It contains new hugs for you and those you love Enjoy 365 new hugs for you The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives Love and Organization Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking

at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management

Bell's British Theatre John Bell,1780 *Works of Love* Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded **A Laggard in Love** Mrs. Coulson Kernahan,1890
