Love Always Arthur Weil, 2004

Riddles of Belief...and Love: A Story Lin Zhe, 2010 Beijing based writer Lin Zhe's novel Waipode Gucheng on which this translation is faithfully based paints an unforgettable picture of an ordinary family caught up in the maelstrom that was China's most recent century Her narrative ranges across the entire length of China to California and back again to the battlefields of the Anti Japanese War of Resistance and the brutal struggle sessions of the Cultural Revolution But it always returns to this family's home in Old Town that archetypal old fashioned and vanishing place steeped in the traditions of South China Ms Lin examines the inner strength that sustains people's lives in their darkest hours when religious and political faith falter And yet a vein of irony and droll humor runs through this powerful story Lin Zhe's novel may be understood as a love story memoir history or allegory For the non Chinese reader it provides a rare and moving insight into Chinese lives in a century of fearsome upheaval

Forever Love Solja Prophecy, 2001 Varying poems taking the reader on a fantasy venture through the euphoria of falling and being in love soul touching poems filled with love of self and others through spiritual and universal ideals Various thoughts and issues approached with traditional spirituality

the word Her This book is a product of my own personal feelings towards women and how I perceive them to be in relationships My hope is that the readers of this book will be able to look within and reflect on how they feel about relationships and romance My purpose is to grow and learn about how women function when it comes to the subject of intimate connections with men
