of the Year Locus Village Voice San Francisco Chronicle Book Magazine Nominated for the Impac Award Charley is an athlete He wants to grow up to be the fastest runner in the world like his father He wants to be painted crossing the finishing line in his racing silks with a medal around his neck Charley lives in a stable He isn't a runner he's a mount He belongs to a Hoot The Hoots are alien invaders Charley hasn't seen his mother for years and his father is hiding out in the mountains somewhere with the other Free Humans The Hoots own the world but the humans want it back Charley knows how to be a good mount but now he's going to have to learn how to be a human being I've been a fan of Carol Emshwiller's since the wonderful Carmen Dog The Mount is a terrific novel at once an adventure story and a meditation on the psychology of freedom and slavery It's literally haunting days after finishing it I still think about all the terrible poetry of the Hoot Sam relationship and hypnotic I'm honored to have gotten an early look at it Glen David Gold Carol Emshwiller's The Mount is a wicked book Like Harlan Ellison's darkest visions Emshwiller writes in a voice that reminds us of the golden season when speculative fiction was daring and unsettling Dystopian weird comedic as if the Marquis de Sade had joined Monty Python and ultimately scary The Mount takes us deep into another reality Our world suddenly seems wrought with terrible ironies and a severe kind of beauty When we are the mounts who or what is riding us Luis Alberto Urrea We are all Mounts and so should read this book like an instruction manual that could help save our lives That it is also a beautiful funny novel is the usual bonus you get by reading Carol Emshwiller She always writes them that way Kim Stanley Robinson This novel is like a tesseract I started it and thought ah I see what she's doing But then the dimensions unfolded and somehow it ended up being about so much more Maureen F McHugh The Mount is so extraordinary as to be unpraisable by a mortal such as I I had to keep putting it down because it was so disturbing then picking it up because it was so amazing A postmodernist would call it The Eros of Hegemony but I'm no postmodernist Nearly every sentence is simultaneously hilarious prophetic and disturbing This person needs to be really really famous Paul Ingram Prairie Lights Bookstore Brilliantly conceived and painfully acute in its delineation of the complex relationships between masters and slaves pets and owners the served and the serving this poetic funny and above all humane novel deserves to be read and cherished as a fundamental fable for our material minded times Publishers Weekly Adult High School This veteran science fiction writer is known for original plots and characters and her latest novel does not disappoint offering an extraordinary utterly alien and thoroughly convincing culture set in the not too distant future Emshwiller brings readers immediately into the action gradually revealing the takeover of Earth by the Hoots otherworldly beings with superior intelligence and technology Humans have become the Hoots mounts and in the case

of the superior Seattle bloodline valuable racing stock Most mounts are well off as the Hoots constantly remind them and treated kindly by affectionate owners who use punishment poles as rarely as possible No one agrees more than principal narrator Charley a privileged young Seattle whose rider in training will someday rule the world The adolescent mount's dream is of bringing honor to his beloved Little Master by becoming a great champion like Beauty his sire whose portrait decorates many Hoot walls When Charley learns that his father now leads the renegade bands called Wilds he and Little Master flee This complex and compelling blend of tantalizing themes offers numerous possibilities for speculation and discussion whether among friends or in the classroom School Library Journal Emshwiller's prose is beautiful Laura Miller Salon The Mount is a brilliant book But be warned It takes root in the mind and unleashes aftershocks at inopportune moments The Women's Review of Books Carol Emshwiller has been writing fantasy speculative and science fiction for many years she has a dedicated cult following and has been an influence on a number of today's top writers it is very easy to fall into the rhythm of Emshwiller's poetic and smooth sentences Review of Contemporary Fiction Emshwiller's themes the allure of submission the temptations of complicity the perverse nature of compassion are not usual fare in novels of resistance and revolt and her strikingly imaginative novel continues to surpass our expectations to the very last page The Philadelphia Inquirer Both fantastical and unnerving in its familiarity And like her work in romance and westerns its genre twisting plot resists easy classification The Village Voice Emshwiller uses a deceptively simple narrative voice that gives The Mount the style of a young adult novel But there's much going on beneath the surface of this narrative including oblique flashes of humor and artfully articulated moments of psychological insight The Mount emerges as one of the season's unexpected small pleasures San Francisco Chronicle A memorable alien invasion scenario a wild adventure and a reflection on the dynamics of freedom and slavery Booklist A brilliant piece of work Bookslut a beautifully written allegorical tale full of hope that even the most unenlightened souls can shrug off the bonds of internalized oppression and finally see the light BookPage A fable fantasy cautionary tale along the lines of say Animal Farm It's the story of Charlie a preadolescent human who's being used as a horse by shoulder riding alien invaders known as Hoots Charlie wants nothing more than to become a great Mount a loyal slave and servant until his father a renegade Mount who has fled from the Hoots and now lives in the mountains comes to take him away Like so much of Emshwiller's work The Mount asks difficult questions in this case What is freedom The issue is particularly appropriate at a time when freedom in America is increasingly defined as security freedom from uncertainty freedom from fear freedom from want All of which is in the end not really freedom at all Time Out New York In a recent interview with Science Fiction Weekly Ursula Le Guin called Emshwiller the most unappreciated great writer we've got The Mount proves Le Guin right If Emshwiller is not already on your top bookshelf The Mount will put her there Rambles Carol Emshwiller's stories have appeared in The Magazine of Fantasy Science Fiction Century Scifiction Lady Churchill's Rosebud Wristlet TriQuarterly Transatlantic Review New Directions Orbit Epoch The Voice Literary Supplement Omni Crank

Loves Tender Portrait Introduction

In today's digital age, the availability of Loves Tender Portrait books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loves Tender Portrait books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loves Tender Portrait books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loves Tender Portrait versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loves Tender Portrait books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loves Tender Portrait books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loves Tender Portrait books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loves Tender Portrait books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loves Tender Portrait books and manuals for download and embark on your journey of knowledge?
