Loves Wild Desire:

Love's Wild Desire Jennifer Blake,1996-09-30 HOW LONG COULD SHE HATE THIS MAN WHO AWOKE SUCH UNBIDDEN ECSTASY Aristocratic Rafael Navarro spies the beautiful Catherine Mayfield at one of New Orleans most exotic quadrone balls and mistakes her for a woman who generously dispenses her favors He realizes too late that he has hopelessly compromised a lady of the haute monde With no choice but to accept his proposal the enraged Catherine becomes his bride Rafael whisks her away to his bayou home a looming dark mansion of secrets and forbidden passions Here whispers of past tragedy and present danger begin to insinuate their way into her life while she weakens to her growing desire for a man whose caress ruthlessly tempts her with the pleasures of love But the past may keep her from claiming the heart of this enigmatic man who has indelibly and passionately claimed her body and her soul **Loves Wild Desire Pbk Ed J.**

BLAKE,1978 *Wild Desire* Phoebe Conn,2013-09-26 Eliza has run the Trinity Star Ranch in Fort Worth since her father and uncle rode off to war Though every inch a lady she has no trouble standing up to a man And that includes loner Jonathan Blair until he tempts her to forget duty and become lost in desire Original **Feel My Love** Lea Coll,2023-02-14 As a wedding photographer I get to witness the magic the romance and the fairy tale without getting close enough for it to ever sting me again Until Nick I broke my number one rule and slept with the best man How could I resist his sexy good looks and the seductive offer of one night with no strings attached Except he broke the rules by asking me to stay So I left without leaving a note or my number sure I d never see him again Until he moves to the same town to take care of his nephew after his dead beat dad goes to jail Suddenly he s everywhere the town s harvest festival playing arcade games at the pizzeria and coaching my son s baseball team The worst part I can t get him off my mind But I won t allow myself to fall in love again Instead I make a new offer friends with benefits It s the perfect solution Until I realize he wants more **Forbidden Love** Lea Coll,2023-09-12 Tyler Fletcher was the star of every one of my teenage fantasies And I was the forbidden fruit The younger sister to four older brothers I was off limits to every guy in town especially my brothers best friend After finding ourselves alone in the same room when I was eighteen Tyler and I had one brief passionate encounter But he disappeared without a word in the middle of the night Desperate to get out of my brothers shadows and away from Tyler I fled to Paris But after losing my job at a luxury hotel there I found myself in the one place I swore I would never live back home At a fundraising event at my family s ski resort Tyler approached me with an offer to partner together to raise money for charity Desperate to find my footing and prove to my father that I deserved a position in his company I agreed to Tyler s proposition Instead our shared moments were filled with stolen kisses surrendering to the undeniable spark between us We re treading a dangerous line but what happens if it blows up in my face **To One from Arcady** Theodore Lynch Fitz Simons,1915

Ezra Pound and the Mysteries of Love Akiko Miyake,1991 For more than a decade scholars have understood that Ezra Pound employed mystical concepts of love in his writing of *The Cantos* In *Ezra Pound and the Mysteries of Love* Akiko Miyake

further this understanding by looking at *The Cantos* as a major work in the Christian mystic religious tradition. The author uncovers in the five volumes of Gabriel Dante Rossetti's *Il mistero dell'amor platonico del medio evo* the crucial link between *The Cantos* and the traditions of mystical love established by the ancient Greeks at Eleusis and borrowed by the late medieval Italian and Provençal poets. Drawing upon this key five-volume work as well as comprehensive research in both primary and secondary sources, Miyake brings the partial perceptions of other critics and commentators into an illuminating whole. Disclosing the deliberateness of *The Cantos*, Miyake provides new insight into Pound's sense of culture and into the nature of his Confucianism. She sheds light on the disastrous path Pound followed into Fascism and anti-Semitism and, in contrast to the image of a pagan Pound that has emerged in recent years, reveals a poet writing as a Christian from within the Christian mythical tradition.

Love and the Genders Erik von Kuehnelt-Leddihn, 2019-12-13. *Love and the Genders* deals with the four forms of love: Eros (the love between the sexes), the affections between family members, friendship with the accent between the sexes, and charity. This scholarly book (60% elaborate footnotes) is based on the author's German book *Das Rätsel Liebe: The Enigma of Love* (Vienna: Herold, 1975). All forms of love tend toward union. The rapist does not love, and masturbation needs no partner. The book has profound cultural and even political implications. What are the qualities and qualifications of the sexes, their identities and specific roles? Men are not superior to women and vice versa, but they are radically different, and the biological research in recent years has made a number of discoveries. We only know since 1958 for certain that every cell in the male body carries an additional element, the Y, but brain research has proven that the sexual differences are not only hormonal (known for a long time) but are also in the brain. Thus, men and women are in no way interchangeable. They are not made to compete; their differences are rather statistical than personal, and there are situations in which they can or must substitute for each other. Thus, queens might have to rule, and men might have to occasionally tend babies, although they cannot nurse them. A high culture is ordered such that the sexes/genders might get their fulfillment, and naturally, they must feel affection for each other. The point of view of this book is Christian, which includes a Hebrew background. It is not specifically Catholic and does not deal directly with sexual ethics. Contraception is a sexual problem; abortion is obviously plain murder. Homosexuality is mentioned a bit more broadly. Misandry and misogyny are referenced in the North American and European situation. Friendship, not sex or Eros, is the most important element in marriage. If one marries, can the partner be a friend for a lifetime? Fidelity belongs psychologically to friendship, not to Eros or sex. What about the political aspect of love, the interest, the enthusiasm for otherness? Leftists are identitarians. This book, with its scope and documentation, is quite unique. It deals basically with the crisis of our time and age.
