

The background of the book cover is a photograph of a person with dark hair, wearing a long white dress, standing on a dark, craggy rock that juts out into a calm blue sea. The person is facing away from the camera, looking out at the horizon. The sky above is a deep blue with some light, wispy clouds. The overall mood is serene and contemplative.

Loving God Up Close Calvin Miller, 2004-02-09 Author of *Miracles and Wonders* and *With Wings Like Eagles* Miller is a pastor poet theologian and painter This is his latest theology book [Loving God, Loving People](#) Leigh Gray, 2009-09 Every person we encounter whether it s the Far and Away grocery store clerk or an Up Close and Personal best friend has the chance to see God through us But are we living close enough to God for His light to shine through Allow Leigh Gray and Heather Hargis to take you through a journey to Loving God Loving People Living Out the Vertical in a Horizontal World They ll introduce you to those Far and Away people and show how you can impact their lives They ll show you where to find God when He seems Far and Away Soon you ll be looking into how to react with those Close Encounters with the friends who encourage or hinder as well as how to become a friend of God s through Close Encounters A look at the Up Close and Personal relationships with family and those friends who become like family will help you take a deeper look at your walk with the Lord before delving into connecting with Him on a deeper Up Close and Personal level Complete with discussion questions for study groups relatable examples and biblical references Leigh and Heather will have you Loving God Loving People in a new God centered way [Following Rabbi Jesus](#) Phil Needham, 2018-01-24 Following Rabbi Jesus is a surprising exposure of who the Jesus we find in the Gospels really is what he teaches those who dare to follow him and how he models what it means to live God s radical kingdom way The reader of the book will discover in this exploration a very different Jesus from the celebrity or hero of much popular church culture the tame ineffective Jesus of compromised Christianity and the inaccessible conceptual Christ of much academic theology The reader who takes the chance of honestly engaging the Jesus we meet in the Gospel stories may find an engaging and liberating contrast to the life he is now living He may even want to make a turn or two and start over **I Want to Walk with You! Love, God** Cynthia C. Dubi, 2003-12 Is your life running on Empty Do you feel as though you have lost touch with who you are and want to be Do you feel like you are adrift on an ocean of confusion and can t find your compass Maybe it is time to do some soul searching I Want to Walk with You Love God will give you the opportunity to try and put things into perspective You will gain a renewed appreciation for all of the gifts that have been given to you You will see that you are important and that without you the Divine Plan for creation would be incomplete Read I Want to Walk with You Love God with an open mind and heart and let God walk with you Miracles do happen Allow one to happen to you **How Could a Loving God** Ken Ham, 2007 People assume Christians have all the answers yet in the face of tragedy death or suffering everyone struggles to find just the right words to bring comfort or closure to those in need Sometimes just hearing It is God s will isn t enough Sometimes just saying God will turn this to good seems so meaningless when despair is so profound Often the pain goes too deep the questions won t go away and even the assurance of faith doesn t help How could God let this happen How can God love us yet allow us to suffer in this way What is the point of this What is the purpose In this provocative book Ken Ham makes clear answers found in the pages of Scripture

powerful definitive and in a way that helps our hearts to go beyond mere acceptance When you grasp the reality of original sin and all that it means it creates a vital foundation for your heart to finally understand what follows *OK, God, Let's Start From Here* Tricia Draper, 2019-04-02 Have you ever wondered what God is saying to you Do you have questions you would like answered In this book God answers such questions about how to trust praise and listen to Him God chose you specifically and wants you to have a deep personal relationship with Him He has a special purpose for your life You may be at a point in your relationship with God that you feel you have messed up and completely ruined everything you had or you may feel that you are simply unworthy When we feel this way God is right there waiting for us to ask for His help We need to empty ourselves of all the negative things in our lives and allow Him to fill us up with His love The great news is that God loves you and He always will He s there in our darkest hour and He s there when we are rejoicing He sees our needs and when we turn to Him He is waiting with open arms to receive us We can all rest assured that no matter how we mess up or how many times we can always start fresh by saying OK God let s start from here *God of Violence Yesterday, God of Love Today?* Helen Paynter, 2019-05-20 Do you find the violence in the Old Testament a problem Does it get in the way of reading the Bible and of faith itself While acknowledging that there are no easy answers in *God of Violence Yesterday God of Love Today* Helen Paynter faces the tough questions head on and offers a fresh accessible approach to a significant issue For all those seeking to engage with the Bible and gain confidence in the God it portrays she provides tools for reading and interpreting biblical texts and points to ways of dealing with the overall trajectories of violence **The Riddle of the Universe at the close of the nineteenth century** Ernst Haeckel, 2022-05-28 In *The Riddle of the Universe at the close of the nineteenth century* Ernst Haeckel delves into the mysteries of existence and the universe with a scientific and philosophical lens Published in 1899 the book explores the intersections of science religion and philosophy offering a comprehensive look at the fundamental questions that have puzzled humanity throughout history Haeckel s writing style is both articulate and thought provoking drawing upon his background as a renowned German biologist and philosopher to provide insightful commentary on the evolution of life and the universe The book is a significant contribution to the academic dialogue of the time influencing later thinkers and scientists in the fields of cosmology and evolutionary biology Ultimately *The Riddle of the Universe* serves as a compelling exploration of the complexities of existence challenging readers to contemplate the profound mysteries of the universe *The Wrath of a Loving God* Brother John of Taizé, 2019-10-28 The portrait of an angry God quick to condemn that many people claim to find in the pages of the Bible is undoubtedly one of the greatest obstacles to faith The modern tendency to efface all traces of anger from our image of God is therefore comprehensible But might this procedure not risk mutilating the authentic character of the biblical God Could the theme of divine wrath properly understood rather than being a primitive vestige or an aberration perhaps offer a key to understanding a love as fierce as death an approach to the mystery of our redemption in Christ That is the challenge that this book attempts to take up *The Pleasure of Loving God* Mike

Bickle,2013-07-15 Here s an ultimate portrait of a loving Father one to whom we can come for a fresh supply of truth and beauty day by day In the process we ll awaken a fervent devotion to our heavenly Lord As we employ the Great Commission in our daily lives we also discover the joy and pleasure of being a vehicle through whom Christ s own prayers are lived out in the world Prepare to encounter God His awesome loving presence in your daily life God s Power His active supernatural role in your daily life Your True Identity in God His view of you A Fresh Awakening and Understanding of God s Majesty His plans to bring you to new heights of joy and peace that you never thought possible The Pleasures of Loving God is a call to accept God s all encompassing love for you something that is already yours not anything that you have to earn or win
