Loving Boldly Issues Facing Lesbians:

Loving Boldly Esther D. Rothblum, Ellen Cole, 1989 *Loving boldly* highlights the lesbian experience as an affirmative model of nontraditional lifestyles. In this enlightening volume, the authors, counselors, psychologists, and therapists raise some of the vital issues that need to be understood in the context of our extremely homophobic society. Challenging the traditional stigmas held by both the general public and mainstream mental health professionals about lesbianism, the authors review over 30 years of research indicating that lesbians experience positive adjustment and mental health. They explore issues never before discussed in print: married lesbians, lesbians in rural settings, and lesbian nonmonogamy. Publisher's description:

Lesbians in Academia Beth Mintz, Esther D. Rothblum, 2013-10-31 How can being closeted or out affect the personal and professional life of a lesbian in academia? This volume, a collection of over thirty personal narratives, explores what it's like to be a lesbian working in a college or university setting. Along with the stories are in-depth analyses of the narratives by other academics. Issues such as race, class, and age, and how these factors distinguish each individual's place in the academy are examined. The contributors have written from a wide range of experiences, different degrees of outness, various academic disciplines, many geographic locations, and several types of academic settings.

Foundations of Social Work Practice with Lesbian and Gay Persons Gerald P. Mallon, 2013-09-13 Focusing on the pragmatic aspects of social work with gay and lesbian persons, this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men. Written by scholars and practitioners in the social work profession, *Foundations of Social Work Practice with Lesbian and Gay Persons* teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals, couples, families, groups, communities, and organizations. The book's sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at-risk client populations. A foundation-level text on social work practice with gays and lesbians, this book is designed to provide social work students, academics, and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients. *Foundations of Social Work Practice with Lesbian and Gay Persons* summarizes the variety of issues, dynamics, and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles. To further help you in your practice, it also discusses providing skilled professional assistance to gay victims of hate crimes, how homophobia can prevent lesbians and gay men from receiving adequate services, the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice, practitioner self-disclosure regarding sexual identity, developmental milestones for lesbian and gay persons, alcohol and substance abuse among lesbians, family therapy concepts of fusion and enmeshment, same-gender socialization, assessing issues of sexual expression, Counselors

social workers and students and academics in gay and lesbian studies will find that *Foundations of Social Work Practice with Lesbian and Gay Persons* greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver
