Loving Promises:

Loving Promises Gail Gaymer Martin, 2011-03-21 Widow Bev Miller promised to keep her chin up and trust in God after her husband's untimely death. She had her boisterous children to nurture through this transitional time. When she encountered handsome businessman Dale Levin, she began to wonder about the possibilities. Could love strike her a second time? While caring for his aging parents, Dale witnessed a true marriage and didn't feel such a powerful force could ever exist for him. Love was an old-fashioned romantic notion that faded over time. But then Bev and her kids crept into his routine and into his heart. Would God prove his long-held beliefs wrong and grant him the happy ending he craved? Loving Promises Richard Matzkin, 2016-07-13 In this unique inquiry into the deepest incarnation of love, author Richard Matzkin has looked to his extraordinary three-decade-long marriage to Alice as a living laboratory to research the elements that comprise a truly loving, magnificent partnership. He has discovered 39 Loving Promises: statements of intention you pledge to yourself, not to your partner, that are the behavioral components of a deep, abiding love. These Promises are a profound path to transform your relationship into a magnificent one. Immensely practical. I cannot imagine a book that holds more potential to improve relationships. Just reflect on one of these promises a day, and the sky is the limit. Stephen G. Post, PhD, President, Unlimited Love Institute, author of *WHY GOOD THINGS HAPPEN TO GOOD PEOPLE*. Keywords: Love, Relationships, Marriage, Friendship, Partnership, Alice, Richard, Transform. Standing on the Promises Susan Wales, 2010-04-21 When trying seasons come as they often do, women seek firm ground on which to stand. Author Susan Wales shares wisely from a lifetime of personal experience and communication with other women who have coped with the sometimes piercing hurts within marriage, motherhood, infertility, divorce, financial loss, career, family, friendships, illness, aging, and the death of a loved one. We all suffer disappointments in our lives, says Wales. Her true-life survival stories, selected Scripture promises, and contemporary women's counsel for difficult times will reach readers where they hurt and guide them gently on from fear to faith to freedom from emotional pain. The essential female reference for you or a hurting friend. *365 Days of Courage* BroadStreet Publishing Group LLC, 2023-02-07 Courage isn't something that comes naturally to most. The only way to truly be brave is to walk in the confidence that comes from knowing God and relying on him to be your strength. When you spend time with him, he will fill you with peace and hope for the future. When you finally see yourself as God sees you, you will recognize the talents and abilities you have been blessed with and start operating in the fullness of those gifts. Be encouraged with truth as you spend time with God, reflecting on these devotions, scriptures, and prayers. Let him show you that you are beautiful, you are strong, and you were created with a purpose. Take courage in God's love for you and be ready to conquer each day. Loving Feelings Gail Gaymer Martin, 2005-10-01 When Todd Bronski realized an eight-year-old boy had stolen his laptop, he was set to call the police. But then Jenni Anderson, little Cory's aunt, came to apologize, and well, she was lovely. Jenni was grateful that Todd had decided to leave the police out of it and help teach Cory a better way. The man was handsome, intelligent, kind, and

caring with Cory Todd awakened feelings she hadn't experienced in years. But Jenni wasn't looking for a man. She had way too much on her plate. Besides, Todd had agreed to be her new business partner, and she wasn't about to mix business with pleasure.

A Revolutionary Faith Raúl E. Zagarra, 2023-03-14 Religious commitments can be a powerful engine for progressive social change, and in this new book Raúl E. Zagarra examines the process of articulation of religious beliefs and political concerns that takes place in religious organizing and activism. Focusing on the example of Latin American liberation theology and the work of Peruvian theologian Gustavo Gutiérrez, Zagarra shows how liberation theology advocates have been able to produce a new balance between faith and politics that advances an agenda of progressive social change without reducing politics to faith or faith to politics. Drawing from theologian David Tracy's method of critical correlation, the book focuses on key historical philosophical and theological shifts that have allowed liberation theologians to produce a new interpretation of the relationship between faith and politics in the Christian tradition, especially when issues of social justice are at stake. The book further approaches liberation theology's contributions to theorizing social justice through an unconventional path: a critical dialogue with the work of philosopher John Rawls. This dialogue, as Zagarra contends, allows us to see more clearly the contributions of liberation theology to the cause of progressive social change. Ultimately, the book stands between public religion and public reason, offering something of a blueprint for theological innovation and for how to remain committed to one's faith while respecting and defending the core values of democracy.
