Loving Them Both A Study Of Bisexuality:

Loving Them Both Colin MacInnes,1973 **Same-Sex Dynamics Among Nineteenth-Century Americans** D. Michael Quinn,2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn s *Same Sex Dynamics among Nineteenth Century Americans* has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America s acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s **Women and Deviance: Issues in Social Conflict and Change** Nanette J. Davis,Jone M. Keith,2015-12-22 This book first published in 1984 is a selective annotated bibliography on women and deviance that includes historical cross cultural sociological psychological political legal philosophical and social policy perspectives This title is concerned with the origins change conflict and consequences of deviant behaviour and women s adaptation to their changing roles It encompasses monographs journal articles books and government documents in English This title will be of particular interest to students of sociology and criminology **Bisexualities and AIDS** Peter Aggleton,2020-08-11 Since early on in the epidemic there has been much interest in the role that bisexual behaviour among men may play in HIV transmission This text reviews from an international perspective what has been learned about male bisexuality in countries as diverse as Peru and Britain Its authors examine the forms that bisexuality takes in different cultures what it means to the men concerned and whether or not such behaviour poses special risks The implications of such enquiry for HIV prevention efforts are also examined *Routledge Library Editions: Women and Crime* Various Authors,2022-07-30 This set reissues five books on the subject of women and crime The titles which were originally published between 1930 and 1996 include a book of case studies of female criminals a comprehensive annotated bibliography on the social conflict and change of women in crime and essays which examine the construction of women in criminology This set will be of particular interest to students of both criminology and women s studies [A Companion to Ingmar Bergman](#) Daniel Humphrey,Hamish Ford,2025-01-07 *A Companion to Ingmar Bergman* This collective project brilliantly launches Bergman studies forward at least a generation or two The 35 contributors comprise a Who s Who of prominent and rising star Bergman scholars diversely and globally Arne Lunde UCLA author of *Nordic Exposures* *Scandinavian Identities in Classical Hollywood Cinema* 2010 Bergman s films are not static They changed dramatically over the filmmaker s lifetime and so too our ways of critically analysing them This superb Companion lays out the tracks of understanding Bergman today Adrian Martin Film Critic author of *Mysteries of Cinema* 2018 The first book in English to address Ingmar Bergman s cinema through a broad array of classical and contemporary approaches *A Companion to Ingmar Bergman* brings together 32 original essays by established scholars and exciting new voices in the field Representing a uniquely wide range of approaches in academic film studies and beyond the chapters that make up the

volume illuminate a body of work that changed the way cinema is created defined experienced understood and interpreted Thematically organized into four parts the Companion discusses gender exploration and self representation in Bergman s cinema draws evolutionary insights from The Seventh Seal explores existential feelings and religious iconography in the early 1960s trilogy journeys through the filmmaker s island landscape in the context of cinematic tourism and much more Throughout the book hailing from a range of global contexts and backgrounds the authors provide fresh insights into a deeply complex and challenging film artist often from unexpected perspectives An innovative mixture of new scholarship and fresh updated employments of older approaches A Companion to Ingmar Bergman Examines Bergman s cinema through methodologies as diverse as Film Philosophy Star Studies Bisexual Studies Tourism Studies Transgender Studies and Evolutionary Studies Delves into the director s early period in the late 1940s 1950s through his most challenging modernist period in the 1960s and into the 1980s Engages with films long considered problematic by commentators plus unproduced Bergman screenplays including All These Women The Petrified Prince Face to Face and From the Life of the Marionettes A Companion to Ingmar Bergman is a must read for advanced undergraduate and graduate film students postgraduate scholars college and university lecturers and researchers particularly those interested in the application of classical and modern approaches to the study of twentieth century cinema and Bergman fans around the world Sexual Fluidity Lisa M.

Diamond,2008-02-28 Is love blind when it comes to gender For women it just might be This unsettling and original book offers a radical new understanding of the context dependent nature of female sexuality Lisa M Diamond argues that for some women love and desire are not rigidly heterosexual or homosexual but fluid changing as women move through the stages of life various social groups and most important different love relationships This perspective clashes with traditional views of sexual orientation as a stable and fixed trait But that view is based on research conducted almost entirely on men Diamond is the first to study a large group of women over time She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences Sexual Fluidity offers moving first person accounts of women falling in and out of love with men or women at different times in their lives For some gender becomes irrelevant I fall in love with the person not the gender say some respondents Sexual Fluidity offers a new understanding of women s sexuality and of the central importance of love Current Research on Bisexuality Ronald Fox,2013-04-03 Current Research on Bisexuality is an

important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and

men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Sexual Citizenship David Evans, 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities **Territories of the Soul** Nadia Ellis, 2015-08-27 Nadia Ellis attends to African diasporic belonging as it comes into being through black expressive culture Living in the diaspora Ellis asserts means existing between claims to land and imaginative flights unmoored from the earth that is to live within the territories of the soul Drawing on the work of Jose Mu oz Ellis connects queerness utopian potential with diasporic aesthetics Occupying the territory of the soul being neither here nor there creates in diasporic subjects feelings of loss desire and a sensation of a pull from elsewhere Ellis locates these phenomena in the works of C L R James the testy encounter between George Lamming and James Baldwin at the 1956 Congress of Negro Artists and Writers in Paris the elusiveness of the queer diasporic subject in Andrew Salkey's novel *Escape to an Autumn Pavement* and the trope of spirit possession in Nathaniel Mackey's writing and Burning Spear's reggae Ellis use of queer and affect theory shows how geographies claim diasporic subjects in ways that nationalist or masculinist tropes can never fully capture Diaspora Ellis concludes is best understood as a mode of feeling and belonging one fundamentally shaped by the experience of loss
