No one ever sees me write One of the triumphs of fiction is that it is created in the dark It leaves my house in a plain wrapper with no bloodstains Unlike me my stories are whole and indestructible In *The Collected Stories* Paul Theroux's canvas stretches from London to South East Asia from Boston to Paris from Africa to Eastern Europe and from Moscow to the tropics in this vibrant collection Full of suspense and the unexpected these stories by the acclaimed author of *The Old Patagonian Express* and *Dark Star Safari* delve into the worlds of a vast spectrum of characters and display throughout a flair that shows Theroux to be a master of the form Praise for Paul Theroux A shimmering kaleidoscopic and very entertaining collection Sunday Telegraph You close the book feeling you have read a single big narrative rather than a series of short ones As a short story writer he makes a terrific novelist Sunday Times Theroux willingly explores the blighted territory of a failing marriage the tangled jungle of a mad poet's secret anti-Semitism the belated sexual guilt of a Hindu A book of many and varied pleasures to read it is to feel alert curious adventurous Observer Paul Theroux's writing is impeccable and thoughtfully entertaining his artistry is individual serene yet also grainy with fierce truths The Times One needs energy to keep up with the extraordinary productive restlessness of Paul Theroux He is the most gifted most prodigal writer of his generation Jonathan Raban Paul Theroux was born in Medford Massachusetts in 1941 and published his first novel *Waldo* in 1967 His subsequent novels include *The Family Arsenal* *Picture Palace* *The Mosquito Coast* *O Zone* *Millroy* *the Magician* *My Secret History* *My Other Life* and most recently *A Dead Hand* His highly acclaimed travel books include *Riding the Iron Rooster* *The Great Railway Bazaar* *The Old Patagonian Express* *Fresh Air* *Fiend* and *Ghost Train to the Eastern Star* He divides his time between Cape Cod and the Hawaiian Islands *Low, Low Tide and Collected Stories*

CREATESPACE, Steve E. McCallum, 2001-10-12 Terror in the backwaters of the Florida Keys *Low, Low Tide and Collected Stories* Steve E. McCallum, 1999-06

Precise writing that captures the human values we all have coupled with an honest expression of the sometimes wry truths we encounter these mark the stories of Steve E McCallum Sometimes terse sometimes romantic they range the gamut of human experience in a clear style that holds no punches McCallum uses the shock value of violence and the soothing ride of romance to carry his characters through terrain we recognize Each story carries the beat of realism and convincing truth of life we know You will recognize yourself in them The title story *Low Low Tide* was born in the backwaters of the Florida Keys McCallum spent a year as a National Ocean Survey tide observer during his 13 year sojourn in Key West Best job I ever had he grins telling about it Imagine actually getting paid to go out gunkholing in your boat And you meet people see things and hear enough stories in the Florida Keys to keep a writer busy for life Behind the story of *Low Low Tide* as with most fiction lies a boy named Bud that McCallum knew a bearded happy go lucky who lived a hand to mouth free soul existence life on a boat And there were girls lots of them in fact one named Laurie

who made a living at this and that including cleaning and polishing expensive motor and sail cruising toys of the rich McCallum often saw them talked with them when he went about repairing marine radios on expensive yachts And although there are lots of rough guys in the Keys like Leon Rizotti and Bobo Wisconsin in the story people who can kill without compunction rough guys are not necessarily evil murderers In fact my best friend in the Keys was a fellow I would not have enjoyed tangling with yet he was gentle as a kitten His name was Homer and he had traveled across the nation in his lifetime working as a construction electrician the Hoover Dam in Nevada Holland Tunnel under New York s Hudson River the Los Angeles Aqueduct the Ford Assembly plant in Louisville You name it But if you had an enemy Homer was ready to help you do away with the bad guy He said an accident is not hard to plan Once he told me I never done away with anyone who didn t deserve it I never asked questions That part of a man s life is a part that s really private But the bad guys in the Keys are by far outnumbered by the good guys like Rene Faurot and Benny Werpel gentle guys but ready to spring into violent combat for what they believe is right As with many island populations there are the natives and the newcomers And even though a newcomer has lived there 99.9 percent of his life he still is a newcomer And that is that McCallum found that when he served in the U S Coast Guard on Nantucket in World War II His landlady had lived on the island for more than 50 years but she still accepted her status as a newcomer not one of the native born who were called Nantucketers The same is true on Key West The natives are called Conchs pronounced conk please and the other residents are Key Westers And don t you forget it sir and madam Key West is a friendly place that s different Folks there both Conchs and Key Westers maintain a wary friendliness but far from the sugary sweetness of the Great South And Key West s wariness is not like the cold shoulder approach of New York City where a New Yorker will calmly step over a drunken or dead body and proceed on his way Key Westers will easily welcome a stranger into their homes but the welcome can be short lived at a hint of ingratitude Bud Meadows flares up at such a hint The reader finds this as Bud blows his top when frustrated at the girl he had picked out of the water She s thankful enough for being taken aboard his skiff But her refusal to talk irks Bud to the point where he would cheerfully toss her back into the sea Some readers have questioned the wisdom of Laurie s plan to survive the death voyage They

His most famous works are the invasion fantasies *The Great War in England in 1897* and *The Invasion of 1910*.
