Lowcountry Child:

The Lowcountry Child Monica Simmons,1996-06-01 Bo and his dog Bubba 2 share their friends and adventures along the Carolina coast in the Charleston area *Low Country Gullah Culture, Special Resource Study* ,2003 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,1987 Publication ,1993 Slavery and the American South Annette Gordon-Reed,2003 In 1900 very few historians were exploring the institution of slavery in the South But in the next half century the culture of slavery became a dominating theme in Southern historiography In the 1970s it was the subject of the first Chancellor s Symposium in Southern History held at the University of Mississippi Since then scholarly interest in slavery has proliferated ever more widely In fact the editor of this retrospective volume states that since the 1970s the expansion has resulted in a corpus that has a huge number of components scores even hundreds rather than mere dozens He states that no such gathering could possibly summarize all the changes of those twenty five years Hence for the Chancellor Porter L Fortune Symposium in Southern History in the year 2000 instead of providing historiographical summary the participants were invited to formulate thoughts arising from their own special interests and experiences Each paper was complemented by a learned penetrating reaction On balance the editor avers in his introduction reflection about the whole can convey a further sense of the condition of this field of scholarship at the very end of the last century which was surely an improvement over what prevailed at the beginning The collection of papers includes the following Logic and Experience Thomas Jefferson s Life in the Law by Annette Gordon Reed with commentary by Peter S Onuf The Peculiar Fate of the Bourgeois Critique of Slavery by James Oakes with commentary by Walter Johnson Reflections on Law Culture and Slavery by Ariela Gross with commentary by Laura F Edwards Rape in Black and White Sexual Violence in the Testimony of Enslaved and Free Americans by Norrece T Jones Jr with commentary by Jan Lewis The Long History of a Low Place Slavery on the South Carolina Coast 1670 1870 by Robert Olwell with commentary by William Dusinger Paul Robeson and Richard Wright on the Arts and Slave Culture by Sterling Stuckey with commentary by Roger D Abrahams Winthrop D Jordan is William F Winter Professor of History and professor of African American studies at the University of Mississippi His previous books include *White Over Black American Attitudes toward the Negro 1550 1812* and *The White Man s Burden Historical Origins of Racism in the United States* and his work has been published in the *Atlantic Monthly* *Daedalus* and the *Journal of Southern History* among other periodicals **South Carolina Myths and Legends** Rachel Haynie,2016-01-01 Part of our ever popular *Legends of America* series *South Carolina Myths and Legends* explores unusual phenomena strange events and mysteries in South Carolina s history Each episode included in the book is a story unto itself and the tone and style of the book is lively and easy to read for a general audience interested in South Carolina history **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2004 *Slavery, Disease, and Suffering in the Southern Lowcountry* Peter McCandless,2011-04-11 On the eve of the Revolution the Carolina lowcountry

was the wealthiest and unhealthiest region in British North America Slavery Disease and Suffering in the Southern Lowcountry argues that the two were intimately connected both resulted largely from the dominance of rice cultivation on plantations using imported African slave labor This development began in the coastal lands near Charleston South Carolina around the end of the seventeenth century Rice plantations spread north to the Cape Fear region of North Carolina and south to Georgia and northeast Florida in the late colonial period The book examines perceptions and realities of the lowcountry disease environment how the lowcountry became notorious for its tropical fevers notably malaria and yellow fever how people combated avoided or perversely denied the suffering they caused and how diseases and human responses to them influenced not only the lowcountry and the South but the United States even helping to secure American independence
