Loyalty And Locality Popular Allegiance In Devon During The English Civil War

I.J. Gentles

Loyalty And Locality Popular Allegiance In Devon During The English Civil War:

Loyalty and Locality Mark Stoye, 1994 *Loyalty and Locality* is a study of popular behaviour during the English Civil War. The book makes three main claims. The first is that English counties did not behave as homogeneous units as county communities during the conflict of 1642-46; they divided instead along regional lines, certain areas supporting Parliament, others supporting the King. The second is that this general rule applied to cities too, and that in urban communities just as in the countryside it is possible to discern both Royalist and parliamentary parishes. The third is that these internal divisions were not simply temporary alignments conjured up by the extraordinary circumstances of 1642-46, but that they reflected deep and enduring splits in local society, contrasting patterns of popular behaviour stretching back over very many years. Mark Stoye's book explores these themes primarily through a study of events in Devon and Exeter. *The English Civil War* Charles J Esdaile, 2024-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories. In this innovative account, Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike, and further that they reveal important truths about the way in which the conflict was represented. It is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace. Yet the book is no mere catalogue. On the contrary, rather than being discussed in a vacuum, the tales of haunting are rather set within a detailed regional history of the conflicts of 1642-1651, of a sort that has never yet been attempted but is for all that badly needed. **The Causes of the English Civil War** Ann Hughes, 1998-12-14 This book is intended as a guide and introduction to recent scholarship on the causes of the English civil war. It examines English developments in a broader British and European context and explores current debates on the nature of the political process and the divisions over religion and politics. It then analyses renewed attempts to set the civil war in a social context and to connect social change to broad cultural cleavages in England. The author also provides her own positive interpretation which takes account of the valuable insights of revisionist approaches but concludes that long-term ideological divisions and tensions arising from social change were crucial in causing the civil war. *The English Revolution and the Wars in the Three Kingdoms, 1638-1652* I.J. Gentles, 2014-06-06 Ian Gentles provides a riveting in-depth analysis of the battles and sieges as well as the political and religious struggles that underpinned them. Based on extensive archival and secondary research, he undertakes the first sustained attempt to arrive at global estimates of the human and economic cost of the wars. The many actors in the drama are appraised with subtlety. Charles I, while partly the author of his own misfortune, is shown to have been at moments an inspirational leader. *The English Revolution and the Wars in the Three Kingdoms* is a sophisticated, comprehensive, exciting account of the sixteen years that were the hinge of British and Irish history. It encompasses politics and war, personalities and ideas, embedding them all in a coherent and absorbing narrative. *Puritan Iconoclasm During the English Civil War* Julie Spraggon, 2003 Julie Spraggon offers a detailed analysis

of Puritan iconoclasm in England during the 1640s which led to a resurgence of image breaking a century after the break with Rome She examines parliamentary legislation its enforcement the parallel action undertaken by the army to rid the land of superstition 'To Walk in the Dark' John Ellis,2016-09-02 During the bloody years of the First English Civil War as the battles of Edgehill Newbury and Naseby raged another war was being fought Its combatants fought with cunning and deceit in a hidden conflict that nevertheless would steer the course of history The story of the spies and intelligence gatherers of the Roundheads and Royalists is one that sheds new light on the birth of the Commonwealth In To Walk in the Dark intelligence specialist John Ellis presents the first comprehensive analysis of the First English Civil War intelligence services He details the methods of the Roundhead spies who provided their commanders with a constant flow of information about the movements of the King s armies describes the earliest use of code breaking and mail interception and shows how the Cavalier intelligence forces were overcome He also reveals the intelligence personnel themselves the shadowy spymasters agents and femme fatales The descriptions of how intelligence information was used in the main battles are particularly fascinating and show how intelligence information played a decisive role in determining the outcome of the Civil War itself

A Brief History of Britain 1485-1660 Ronald Hutton,2011-06-23 Praise for the author For anyone researching the subject this is the book you ve been waiting for Washington Post From the death of Richard III on Bosworth Field in 1485 to the execution of Charles I after the Civil Wars of 1642-48 England was transformed by two dynasties First the Tudors who had won the crown on the battlefield changed both the nature of kingship and the nation itself England became Protestant and began to establish itself as a trading power facing down seemingly impossible odds it defeated its enemies on land and sea But after a century Elizabeth I died with no heir and the crown was passed to the Stuarts who sought to remould the kingdom in their own image Leading authority on the history of the British Isles in the sixteenth and seventeenth centuries Ronald Hutton brilliantly recreates the political landscape of this early modern period and shows how the modern nation was forged in these febrile transformative years Combining skilful pen portraits of the leading figures of the day with descriptions of its culture economics and vivid accounts of everyday life Hutton provides telling insights into this critical period on Britain s national history This the second book in the landmark four volume Brief History of Britain which brings together leading historians to tell Britain s story from the Norman Conquest of 1066 to the present day Combining the latest research with accessible and entertaining story telling the series is the ideal introduction for students and general readers **Thomas**

Violet, a Sly and Dangerous Fellow Amos Tubb,2017-10-06 Thomas Violet a Sly and Dangerous Fellow chronicles the life and adventures of Thomas Violet an Englishman who lived from 1609 to 1662 During the course of his tumultuous life Violet was a goldsmith a spy a prisoner of war during the English Civil War a traitor to both sides a major economic theorist an anti Semite who nearly drove the Jews of England out of the country and a suicide Violet s life consisted of one unbelievable escapade after another He was a scoundrel who used his knowledge of the financial markets of his day to legally extort

money out of people in scheme after scheme for nearly thirty years Along the way he was caught up in the English Civil War and interacted with many of the major players he knew and worked for King Charles I Oliver Cromwell and King Charles II In desperate times both King Charles I and Oliver Cromwell were willing to use the unsavory Violet to help solve the financial crisis both men faced as rulers of England Violet s knowledge of the silver trade in particular would bring untold riches to Oliver Cromwell However Charles II had no need of Violet and when Violet could not convince Charles II to extort money from England s Jews Violet committed suicide rather than face the world without a royal patron Readers will be fascinated and outraged by Violet s actions

Communities in Early Modern England Alexandra Shepard, Phil Withington, 2000 How were cultural political and social identities formed in the early modern period How were they maintained What happened when they were contested What meanings did community have This path breaking book looks at how individuals were bound into communities by religious professional and social networks the importance of place ranging from the Parish to communities of crime and the value of rhetoric in generating community from the King s English to the use of public as a rhetorical community The essays offer an original comparative and thematic approach to the many ways in which people utilized communication space and symbols to constitute communities in early modern England

Thomas Fuller W. B. Patterson, 2018-02-09 Long considered a highly distinctive English writer Thomas Fuller 1608 1661 has not been treated as the significant historian he was Fuller s The Church History of Britain 1655 was the first comprehensive history of Christianity from antiquity to the upheavals of the Protestant and Catholic Reformations and the tumultuous events of the English civil wars His numerous publications outside the genre of history sermons meditations pamphlets on current thought and events reflected and helped to shape public opinion during the revolutionary era in which he lived Thomas Fuller Discovering England s Religious Past highlights the fact that Fuller was a major contributor to the flowering of historical writing in early modern England W B Patterson provides both a biography of Thomas Fuller s life and career in the midst of the most wrenching changes his country had ever experienced and a critical account of the origins growth and achievements of a new kind of history in England a process to which he made a significant and original contribution The volume begins with a substantial introduction dealing with memory uses of the past and the new history of England in the late sixteenth and early seventeenth centuries Fuller was moved by the changes in Church and state that came during the civil wars that led to the trial and execution of King Charles I and to the Interregnum that followed He sought to revive the memory of the English past recalling the successes and failures of both distant and recent events The book illuminates Fuller s focus on history as a means of understanding the present as well as the past and on religion and its important place in English culture and society

Loyalty And Locality Popular Allegiance In Devon During The English Civil War Introduction

In today's digital age, the availability of Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loyalty And Locality Popular Allegiance In Devon During The English Civil War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other

digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loyalty And Locality Popular Allegiance In Devon During The English Civil War books and manuals for download and embark on your journey of knowledge?

FAQs About Loyalty And Locality Popular Allegiance In Devon During The English Civil War Books
