Lucky 13th Until Relieved:

Until Relieved Rick Shelley, 2022-02-27 The 13th Spaceborne Assault Team battles for their survival on a faraway planet in this classic first entry in a science fiction military action trilogy Three thousand years ago humanity expanded its presence by settling hundreds of worlds across the galaxy Yet even as technology allowed them to boldly travel light years the nature of humanity changed very little Over time countless regimes and governments rose and fell in a quest for power In the end only two remained the industrial dictatorship of the Schlinal Hegemony and the feudal based Dogel Worlds The last independent worlds of the Terran Cluster finally united as the Accord of Free Worlds and fought back against the conquerors as no one had before So the war continues When the Schlinal Hegemony goes on the offensive the Accord decides to send their forces to several other planets to disperse the Hegemony forces The planet Porter is where Sgt Joe Baerclau and his 13th Spaceborne Assault Team are deployed Unfortunately what begins as a holding action soon becomes a brutal battle against a relentless foe And it soon becomes clear that the Lucky 13th only has three options left keep the enemy at bay until backup arrives hope the enemy decides to quit the fight in frustration or be buried on Porter Officer-Cadet Rick Shelley, 2011-06-14 A military academy reject seeks to prove himself among the ranks of mercenaries in this classic military science fiction action series opener The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Lon Nolan wasn't supposed to be serving with the DMC He'd earned his place at the elite North American Military Academy and he'd excelled there But when he's kicked out of the Academy on trumped up charges he's left with no choice join the DMC or go home So join he does going from top of his class to bottom rung in the DMC To become an officer he'll have to survive his first taste of combat with his new army and if he fails he won't lose just his honor but his life The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page *Jump Pay* Rick Shelley, 2022-02-27 Rick Shelley concludes his military sci fi trilogy following the exploits of the Lucky 13th Spaceborne Assault Team as they undertake a daring strike aimed at the heart of the enemy The ongoing three sided war among the Schlinal Hegemony the Dogel Worlds and the Accord of Free Worlds has worn down all the combatants Even as the most recent entrant to the hostilities the Accord is already running out of men and material And now the Hegemony is forming up for another offensive The time has come for desperate measures Deep in Schlinal Hegemony space lies the planet Tamkailo It is a world not meant for humans with low oxygen levels and surface temperatures close to the boiling point Simply surviving in such an environment is unlikely let alone waging war But that is where Sgt Joe The Bear Baerclau and Lucky 13th are headed Because the Hegemony is not only using Tamkailo as a staging point for their offensive The planet is one of their biggest armories holding weapons of war that could wipe out the Accord It's up to the 13th to destroy it Outgunned and

outmanned the very survival of freedom in the galaxy is now in their battle scarred hands Lieutenant Rick Shelley,2011-06-15 In this second entry in the classic military science fiction action series a military academy reject rises learns to lead in the face of danger The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Kicked out of the prestigious North American Military Academy Lon Nolan had only a few choices left to him He chose the hardest one serving with the Dirigent Mercenary Corps an elite fighting squad where respect is earned not in the classroom but on the battlefield Nolan proved himself on the battlefield on Norbank But now he s commanding men of his own and the stakes are higher He s going to learn sooner or later that leadership always comes with a cost The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page

Major Rick Shelley,2011-06-30 A mercenary must defend a mining planet from a deadly horde of raiders in this fourth entry in the classic military science fiction action series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Lon Nolan is skyrocketing through the ranks of the DMC proving time and again that he s got what it takes to be one of the most elite fighters in the galaxy But as his family grows he grows less certain that the mercenary life is for him With one kid at home and another on the way he grows more reluctant to march off to battle But when duty calls he must answer In Major Nolan is off to the mining planet of Bancroft on a routine security mission Of course this is the DMC so it won t stay routine for long The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page **Colonel** Rick Shelley,2011-07-06 Explosive space combat as a soldier faces his final battle from the national bestselling author of the Federation War series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best As a young cadet all Lon Nolan ever dreamed of was serving in the military of planet Earth After a dishonorable discharge on trumped up charges he saved himself and his honor by joining up with the Dirigent Mercenary Corps Over the decades he s forged himself a place with the DMC and shown himself to be a true hero There s even talk that he might become the next General But Lon isn t after a promotion in fact he s thinking about retirement With his son in the Corps he s hoping he can leave the fighting to the next generation But when the political machinations of the Confederation of Human Worlds get in the way Lon has to return to the front lines leading not just his troops but his son among them into a final bitter campaign Rick Shelley was a soldier at heart and his books were written from the heart They carry the real feel of the sweat blood and camaraderie of those on the
