Addison, 2015-07-06 Excerpt from Lucy Larcom Life Letters and Diary It was the purpose of Miss Larcom to write a sequel to her book A New England Girlhood in which she intended to give some account of her life in the log cabins on the Western prairies as a pioneer and schoolmistress and her experiences as a teacher in Wheaton Seminary and as an editor and literary woman She also wished to trace the growth of her religious ideas by showing the process through which she was led to undergo changes that finally made her accept a less rigorous theology than the one in which she had been reared Her fascinating style with its wealth of reminiscence and interesting detail would have characterized her later book as it did the former but she died before beginning it and American literature has lost a valuable record of a woman s life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
