Lucy Stone Speaking Out For Equality

Junius P. Rodriguez

Lucy Stone Speaking Out For Equality:

Lucy Stone Andrea Moore Kerr,1992 No study of women s history in the United States is complete without an account of Lucy Stone s role in the nineteenth century drive for legal and political rights for women This first fully documented biography of Stone describes her rapid rise to fame and power and her later attempt at an equitable marriage Lucy Stone was a Massachusetts newspaper editor abolitionist and charismatic orator for the women s rights movement in the last half of the nineteenth century She was deeply involved in almost every reform issue of her time Charles Sumner Frederick Douglass William Lloyd Garrison Julia Ward Howe Horace Greeley and Louisa May Alcott counted themselves among her friends Through her public speaking and her newspaper the Woman s Journal Stone became the most widely admired woman s rights spokeswoman of her era In the nineteenth century Lucy Stone was a household name Kerr begins with Stone s early roots in a poor family in western Massachusetts She eventually graduated from Oberlin College and then became a full time public speaker for an anti slavery society and for women s rights Despite Stone s strident anti marriage ideology she eventually wed Henry Brown Blackwell and had her first child at the age of thirty nine Although Kerr tells us about Stone s public accomplishments she emphasizes Stone s personal struggle for autonomy Lucy Stone Only was Stone s trademark signature following her marriage Her refusal to surrender her birth name was one example of her determination to retain her individuality in an era where a woman s right to a separate identity ended with marriage Of equal importance is Kerr s discussion of Stone s relationship with Susan B Anthony and Elizabeth Cady Stanton as well as her revisionist treatment of the schism which eventually divided Stone from Stanton and Anthony Stone urged legislators not to ignore the need for women s suffrage as they rushed to enfranchise black males Stanton and Anthony dwelt only on the need for women s suffrage at the expense of black suffrage Women s historians the general reader and historians of the family will appreciate the story of Stone s attempt to balance the conflicting demands of career and family

10 Women who Helped Shape America Sarah Glasscock,1996 This collection highlights the lives of only ten American women but there are many many more who have contributed in significant ways to our country

Sojourner Truth's America Margaret Washington,2011-04-21 This fascinating biography tells the story of nineteenth century America through the life of one of its most charismatic and influential characters Sojourner Truth In an in depth account of this amazing activist Margaret Washington unravels Sojourner Truth s world within the broader panorama of African American slavery and the nation s most significant reform era Born into bondage among the Hudson Valley Dutch in Ulster County New York Isabella was sold several times married and bore five children before fleeing in 1826 with her infant daughter one year before New York slavery was abolished In 1829 she moved to New York City where she worked as a domestic preached joined a religious commune and then in 1843 had an epiphany Changing her name to Sojourner Truth she began traveling the country as a champion of the downtrodden and a spokeswoman for equality by promoting Christianity abolitionism and women s rights

Gifted in verbal eloquence wit and biblical knowledge Sojourner Truth possessed an earthy imaginative homespun personality that won her many friends and admirers and made her one of the most popular and quoted reformers of her times Washington's biography of this remarkable figure considers many facets of Sojourner Truth's life to explain how she became one of the greatest activists in American history including her African and Dutch religious heritage her experiences of slavery within contexts of labor domesticity and patriarchy and her profoundly personal sense of justice and intuitive integrity Organized chronologically into three distinct eras of Truth's life Sojourner Truth's America examines the complex dynamics of her times beginning with the transnational contours of her spirituality and early life as Isabella and her embroilments in legal controversy Truth's awakening during nineteenth century America's progressive surge then propelled her ascendancy as a rousing preacher and political orator despite her inability to read and write Throughout the book Washington explores Truth's passionate commitment to family and community including her vision for a beloved community that extended beyond race gender and socioeconomic condition and embraced a common humanity For Sojourner Truth the significant model for such communalism was a primitive prophetic Christianity Illustrated with dozens of images of Truth and her contemporaries Sojourner Truth's America draws a delicate and compelling balance between Sojourner Truth's personal motivations and the influences of her historical context Washington provides important insights into the turbulent cultural and political climate of the age while also separating the many myths from the facts concerning this legendary American figure

Seneca Falls and the Origins of the Women's Rights Movement Sally McMillen, 2009-09-08 In a quiet town of Seneca Falls New York over the course of two days in July 1848 a small group of women and men led by Elizabeth Cady Stanton and Lucretia Mott held a convention that would launch the woman's rights movement and change the course of history The implications of that remarkable convention would be felt around the world and indeed are still being felt today In Seneca Falls and the Origins of the Woman's Rights Movement the latest contribution to Oxford's acclaimed Pivotal Moments in American History series Sally McMillen unpacks for the first time the full significance of that revolutionary convention and the enormous changes it produced The book covers 50 years of women's activism from 1840 1890 focusing on four extraordinary figures Lucretia Mott Elizabeth Cady Stanton Lucy Stone and Susan B Anthony McMillen tells the stories of their lives how they came to take up the cause of women's rights the astonishing advances they made during their lifetimes and the lasting and transformative effects of the work they did At the convention they asserted full equality with men argued for greater legal rights greater professional and education opportunities and the right to vote ideas considered wildly radical at the time Indeed looking back at the convention two years later Anthony called it the grandest and greatest reform of all time and destined to be thus regarded by the future historian In this lively and warmly written study Sally McMillen may well be the future historian Anthony was hoping to find A vibrant portrait of a major turning point in American women's history and in human history this book is essential reading for anyone wishing to fully understand the origins of the woman's rights movement

Singers and

the Song II Gene Lees, 1999-11-18 Gene Lees is probably the best jazz essayist in America today and the book that consolidated his reputation was *Singers and the Song* which appeared in 1987 Now this classic volume is being rereleased in an expanded edition The new edition retains a number of famous pieces from the original volume some in expanded form such as Lees's classic profile of Frank Sinatra Lees has also retained his marvelous essay on lyric writing his piece on the art of Edith Piaf and his admiring look at the genius of songwriter Johnny Mercer The expanded edition offers seven new essays that are no less accomplished Here readers will find a wonderful tribute to the sweetest voice in the world Ella Fitzgerald a moving interview with Jackie and Roy Kral Lees's account of his involvement with Bossa Nova music and his collaboration with Antonio Carlos Jobim We also read about Julius La Rosa the lyrics of Yip Harburg Harry Warren's unforgettable compositions and the elegant Arthur Schwartz writer of *Dancing in the Dark* and many other memorable songs Here then is an engaging volume that weaves together colorful portraits of major performers and insightful glimpses into the art of singing and songwriting

Suffrage Susan L. Poulson, 2019-09-03 Four generations of women fought for the right to vote This book shows how their grand reform effort overcame resistance from traditionalists fearing social decay religious leaders citing scriptural prohibitions and a stodgy political establishment reluctant to share power What was it like to be among the founders of the women's movement in the middle of the nineteenth century with no script to follow and self-doubt dogging their every move This book not only reminds us of the laws that conspired against women's equality in the post-Civil War United States but it also illustrates through the eyes of the suffragists themselves the cultural and religious norms that had held women in second-class status for centuries Early suffragists grappled with isolation and outright hostility as they lectured around the nation even as they tried to reassure the public that politicized women would still serve the family Others espoused outrage by organizing public protests This book shows how lasting political change comes about through a combination of working from within the system and outside of it and deftly illustrates the tensions within the movement Although the vote was finally won in 1920 it was not without tremendous sacrifice The book lays bare the strategies that led to the single-minded focus on the vote and the consequences of postponing action on so many other issues that remained for later generations to address including reproductive freedom labor rights and equal pay

Origins of the Women's Rights Movement LeeAnne Gelletly, 2014-09-02 In the 1800s women were second-class citizens By law married women were owned by their husbands Women had no political rights They could not vote They could not hold office By custom women did not dare speak before men in public But some women refused to be silenced They saw wrongs in the world that needed fixing The injustice of slavery led women like Lucretia Mott Angelina Grimké and Lucy Stone to step outside traditional roles As women abolitionists they lectured circulated petitions and lobbied lawmakers But female reformers soon became frustrated Men-only groups prevented women from speaking Their help was often rejected This led a determined few to call for equal rights for women Among the movement's early leaders were Elizabeth Cady Stanton and Susan B. Anthony Along with many

other women activists they would fight for a woman's right to be a true citizen of the United States The Tie That Bound Us Bonnie Laughlin-Schultz, 2013-11-21 John Brown was fiercely committed to the militant abolitionist cause a crusade that culminated in Brown's raid on the Federal armory at Harpers Ferry in 1859 and his subsequent execution Less well known is his devotion to his family and they to him Two of Brown's sons were killed at Harpers Ferry but the commitment of his wife and daughters often goes unacknowledged In The Tie That Bound Us Bonnie Laughlin Schultz reveals for the first time the depth of the Brown women's involvement in his cause and their crucial roles in preserving and transforming his legacy after his death As detailed by Laughlin Schultz Brown's second wife Mary Ann Day Brown and his daughters Ruth Brown Thompson Annie Brown Adams Sarah Brown and Ellen Brown Fablinger were in many ways the most ordinary of women contending with chronic poverty and lives that were quite typical for poor rural nineteenth century women However they also lived extraordinary lives crossing paths with such figures as Frederick Douglass and Lydia Maria Child and embracing an abolitionist moral code that sanctioned antislavery violence in place of the more typical female world of petitioning and pamphleteering In the aftermath of John Brown's raid at Harpers Ferry the women of his family experienced a particular kind of celebrity among abolitionists and the American public In their roles as what daughter Annie called relics of Brown's raid they tested the limits of American memory of the Civil War especially the war's most radical aim securing racial equality Because of their longevity Annie the last of Brown's daughters died in 1926 and their position as symbols of the most radical form of abolitionist agitation the story of the Brown women illuminates the changing nature of how Americans remembered Brown's raid radical antislavery and the causes and consequences of the Civil War **Slavery in the United States** Junius P. Rodriguez, 2007-03-20 A comprehensive contextual presentation of all aspects social political and economic of slavery in the United States from the first colonization through Reconstruction For 250 years slavery was part of the fabric of American life The institution had an enormous economic impact and was central to the wealth of the agrarian South It had as great an impact on American culture cementing racism and other attitudes that echo into the present This encyclopedia is an ambitious examination of all the issues surrounding slavery the origins the justifications the controversies and the human drama These volumes represent the work of 75 distinguished scholars from around the world Ten thematic essays present a thorough examination of slavery and slave culture including a rare treatment of slavery from the slave's point of view Three hundred A-Z entries provide instant access to specific people issues and events Today slavery's immorality seems obvious This encyclopedia provides the student or general reader with an in depth explanation of how the practice evolved and was normalized then anathematized and abolished *Men in the American Women's Rights Movement, 1830-1890* Hélène Quanquin, 2020-11-29 This book studies male activists in American feminism from the 1830s to the late 19th century using archival work on personal papers as well as public sources to demonstrate their diverse and often contradictory advocacy of women's rights as important but also cumbersome allies Focussing mainly on nine men William Lloyd Garrison Wendell

Phillips James Mott Frederick Douglass Henry B Blackwell Stephen S Foster Henry Ward Beecher Robert Purvis and Thomas Wentworth Higginson the book demonstrates how their interactions influenced debates within and outside the movement marriages and friendships as well as the evolution of self definitions of masculinity throughout the 19th century Re evaluating the historical evolution of feminisms as movements for and by women as well as the meanings of identity politics before and after the Civil War this is a crucial text for the history of both American feminisms and American politics and society This is an important scholarly intervention that would be of interest to scholars in the fields of gender history women s history gender studies and modern American history

Eventually, you will very discover a new experience and ability by spending more cash. yet when? get you say yes that you require to get those all needs bearing in mind having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more more or less the globe, experience, some places, later history, amusement, and a lot more?

It is your definitely own get older to do something reviewing habit. among guides you could enjoy now is **Lucy Stone Speaking Out For Equality** below.
