The goal of LifeLight is that through a regular program of in depth personal and group study of Scripture more and more Christian adults may grow in their personal faith in Jesus Christ. Focusing on the vital importance of sound doctrine that is teaching Paul writes to Timothy that the Gospel is essential to the church's life for it gives the divine gift of faith even to blasphemers and persecutors and violent men. Yet the Law is also good and it must be used properly. The church's faithful teaching of the pure Word of God both Law and Gospel must never become mixed with false teachings because such falsehoods will only lead people away from the faith. Many of us believe that we aren't good enough to meet other people's expectations. Maybe you can't wrap words around why but lurking beneath the surface of the carefully curated facade you present in public it's there. Being missed and marginalized by others moves us to assume we're not quite good enough for God either. The great news woven throughout the Gospel according to Luke is that perfection is not a prerequisite for a deep and personal relationship with Jesus. In fact this riveting account reveals that Jesus is especially fond of ragamuffins in need of a safe place to lean in and linger. Join Lisa Harper in this Bible study of a literary masterpiece that doesn't celebrate the elite but embraces the outliers.
