IN THE TWENTY-FIRST CENTURY.**

Christian Lopez

Lukumi Santerias Beliefs Principles And Direction In The Twenty First Century

Daniela R De Armas

Lukumi Santerias Beliefs Principles And Direction In The Twenty First Century:

Lukumi Christian Lopez,2004-09 Santeria is a topic that has produced plenty of controversy over the years It has had to fight for its place in modern day society as a socially accepted religion and at least in legal terms has won The followers of this faith have had to overcome scores of prejudice and discrimination Yet there are still many who truly don t understand it Author Christian Lopez invites those of you with the interest and curiosity to share in his own personal views beliefs and experiences as a High Priest Lukumi entices you to take a closer look into their world of destiny corporal possessions divination and animal sacrifice This book is meant to serve as an introduction to the fundamentals of Ifa and Orisha worship

Enjoy the ride **The Lucumi Practitioner's Handbook** Daniela R De Armas,2024-05-19 The recent explosion of social media has led to a huge amount of shared information regarding the path of Orisha This has led to a rise in consciousness regarding Lucumi Aka Santeria This branch of Orisha practice has its roots in Cuba but has travelled far beyond its birthplace Consequently there has been a shift in the access of information and scams and charlatans are commonplace Fractured relationships are frequent This book is a self help book which explains the basics of our traditions and how to spot red flags For those already practising the religion there is a chapter on how to negotiate being a Godparent and how to create healthy communities Caring for our planet and our mental health is also addressed What are the new challenges we face as a community in this technological age This book acknowledges the need to protect our traditions safe guarding secrets whilst promoting a quest for knowledge It is a call to reframe our traditions born from slavery and trauma in a healthy way which acknowledges the unhealthy relationships that exist within the traditional hierarchical structure This book is for all following the Lucumi way of life and those who aspire to do so ÁSanto! Edwin David Aponte,2012 An overview of Latino a spiritualities today Protestant Catholic Pentecostal and non Christian and the challenges they bring to Christian theology and ministry Given the context of increasing religious pluralism and a burgeoning interest in religions religiosity and spirituality within the United States and the knowledge that by the mid twenty first century an estimated 100 million Americans will claim Latin origin an understanding of the varieties of Latino a spirituality becomes essential This book focuses on the ways in which Latinos and Latinas participate in the pursuit and practice of the spiritual or holy santo as part of their lived religion In seven chapters Aponte explores various understandings of santo and its participation in daily life rites of passage and worship Walking With The Gods W. D. Wilkerson,2014-04-25 Walking With The Gods is the result of Dr Wilkerson s 3 year long ethnographic survey of 120 contemporary Western polytheists that offers a startling intimate and detailed view of this emerging religious practice and raises important theological questions about our culture s assumptions regarding Deity faith religion nature and humanity s relationship with each Through thorough analysis and articulate ethnography Dr Wilkerson demonstrates how these emerging religious practices constitute a unique religiosity that substantially differs from the concerns of a contemporary Western culture that is dominated by a monotheist perspective

Origins ,1993 Santeria in the Twenty First Century Mercedes Cros Sandoval,University of Florida. Center for African Studies,1989 *Santeria* Miguel A. De La Torre,2004-08-23 A guide to the history beliefs rituals and culture of a religious tradition that despite persecution suppression and its own secretive nature has close to a million adherents in the United States alone Santer a is a religion with Afro Cuban roots rising out of the cultural clash between the Yoruba people of West Africa and the Spanish Catholics who brought them to the Americas as slaves With the exile of thousands of Cubans after Castro s revolution in 1959 Santer a came to the United States where it is gradually coming to be recognized as a legitimate faith tradition one about which most people in America s mainstream know very little De La Torre explains the worldview myths rituals and history of Santer a and discusses what role the religion typically plays in the life of its practitioners as well as the cultural influence it continues to exert in Latin American communities today From publisher description
