Thoreau and Henry Wadsworth Longfellow In her later years Alcott suffered chronic health problems including vertigo She and her earliest biographers attributed her illness and death to mercury poisoning During her American Civil War service Alcott contracted typhoid fever and was treated with a compound containing mercury Recent analysis of Alcott's illness suggests that her chronic health problems may have been associated with an autoimmune disease not mercury exposure However mercury is a known trigger for autoimmune diseases as well Be this as it may even when extremely ill Alcott was still able to pen these volumes as a memento to her niece which says a lot about the personality and determination of Alcott herself

[The Trials and Triumphs of Les Dawson](#) Louis Barfe, 2012-02-22 **STRONG** The first ever narrative biography of a towering figure in British comedy Les Dawson more than any other comedian spoke for the phlegmatic pessimistic British way of life A Northern lad who climbed out of the slums thanks to an uncommonly brilliant mind he was always the underdog but his bark was funnier and more incisive than many comics who claimed to bite Married twice in real life he had a third wife in his comic world a fictional ogre built from spare parts left by fleeing Nazis at the end of World War II and an equally frightening mother in law He was down to earth yet given to eloquent absurd flights of fancy He was endlessly generous with his time but slow to buy a round of drinks He was a mass of contradictions In short he was human he was genuine and that's why audiences loved him This is his story

Lulu's Hat Susan Meddaugh, 2002 In True Magic Families a single member of each generation was born with the magician's touch Real magic It was a genetic quirk that no one could explain Either you had it or you didn't But Lulu could never be the one in her generation gifted with magic because Lulu was adopted Nonetheless Uncle Jerry the Great lets her have her chance to join him for the summer as his assistant just like all of the other cousins All she needed to do was warm up the crowd with a few simple tricks but Lulu was all thumbs until she discovers a dusty old hat in the bottom of her uncle's costume trunk All sorts of strange things start to happen and soon Lulu's unpredictable nature leads her on an adventure deep into Magic Space
