Rain of Gold Victor Villaseñor, 2015-03-31 The non fiction saga of Victor Villaseñor's own family. It is the Hispanic Roots of an all American story of poverty, immigration, struggle and success. Focuses on three generations of the Villaseñor family, their spiritual and cultural roots back in Mexico, their immigration to California, and their overcoming poverty, prejudice, and economic exploitation.

Learning How to Ask Charles L. Briggs, 1986-07-25 Interviews are ubiquitous in modern society and they play a crucial role in social scientific research. But as Charles Briggs convincingly argues, in this book, received interviewing techniques rest on fundamental misapprehensions about the nature both of the interview as a communicative event and of the nature of the data that it produces. Furthermore, interviewers rarely examine the compatibility of interviews as a means of acquiring information to one another. These oversights often blind interviewers to ensuing errors of interpretation as well as to the limitations of the interview as a means of acquiring data. To confront these problems, Professor Briggs presents an analysis of the communicative blunders that he himself committed in conducting research interviews among Spanish speakers in northern New Mexico. By focusing on these errors and exploring how they may be avoided, he is able to propose new techniques for designing, implementing, and analyzing interview-based research. These rest on identifying the subjects' resources for conveying information and the relative compatibility of the shared rules and understandings that underlie their strategies with those associated with interviews. Critical of existing paradigms of interviewing, which he sees as deriving from Western folk theories of reality and communication, Briggs shows that the development of more sophisticated interviewing methodologies requires further research into interviewing itself. Briggs's conclusions provide a basis for the reexamination of current uses of interviews in a wide range of contexts, from social science research to job applications, welfare and health care delivery, criminal and legal investigations, journalism and broadcasting, and other areas of everyday life. His book will appeal to linguists, sociologists, anthropologists, historians, psychologists, as well as other readers whose research or professional activities depend on the use of interviews.

Kitchenspace Maria Elisa Christie, 2009-08-17 Throughout the world, the kitchen is the heart of family and community life. Yet while everyone has a story to tell about their grandmother's kitchen, the myriad activities that go on in this usually female world are often devalued, and little scholarly attention has been paid to this crucial space in which family, gender, and community relations are forged and maintained. To give the kitchen the prominence and respect it merits, Maria Elisa Christie here offers a pioneering ethnography of kitchenspace in three central Mexican communities: Xochimilco, Ocotepéc, and Tetecala. Christie coined the term kitchenspace to encompass both the inside kitchen area in which everyday meals for the family are made and the larger outside cooking area in which elaborate meals for community fiestas are prepared by many women working together. She explores how both kinds of meal preparation create bonds among family and community members. In particular, she shows how women's work in preparing food for fiestas gives women status in their communities and creates social networks of reciprocal obligation. In a

culture rigidly stratified by gender Christie concludes kitchenspace gives women a source of power and a place in which to transmit the traditions and beliefs of older generations through quasi sacramental food rites Betrayed Lisa

Waterfalls Katia Amaya,2019-10-23 When Sally and Joey embark on a hike in the Red Hill Valley with their science teacher Mr Z they never expect to be shrunk in size by a wayward cascadi spell Who knew the mysterious nature lovers depended on the falls for their life source and magic Beautiful adventurous Xiomara daughter of elder Kuku eagerly awaits for her twin sister Xhalla to give birth When Albion Falls runs dry the twins need to attempt the trek to their estranged brethren at Felker s Falls to ensure life source for Xhalla s unborn child Could elder Zanta the mythical leader of the Felkrati hold the key to returning their new human allies to giant size Now human and cascadi must band together to overcome the perils of the woods and the uncertainty of being linked on a life or death quest with a dangerously fascinating new species

Fire Dance Salome W. Carter,2011-08-29 Twenty three year old Arturo Fernandez believes he has his life figured out Like most young men in his village of Colima Mexico his plan is simple He envisions himself marrying his long term girlfriend as soon as his carpentry business has taken off and together they would build a nice home and raise happy children Then the wind blows an American woman into Arturo s path and his life changes in ways so tragic that he finds himself considering the unthinkable Laura Marie Spencer a red haired beauty from America is unwinding in Colima after a messy divorce from her wealthy husband when she happens to watch Arturo in an amateur boxing match Impressed by his obvious passion and unmatched skill for the sport Laura persuades Arturo to come to America with her where she promises to help him pursue a professional boxing career Laura asserts that Arturo is a gem buried in Colima soils and all he needs is a little polishing to make him shine Though initially resistant Arturo eventually concedes that Laura s offer is a God sent opportunity that will help him achieve bigger dreams like rescuing his family from the pangs of poverty But when he arrives in America his life is turned upside down with a force so powerful that it sends him careening on the edge of insanity Instead of the fame prosperity and success Laura had promised Arturo is tossed into a path laced with sex lies deception and even murder A golden opportunity turns into a fight for his life How does a simple village carpenter from Mexico end up in a maximum prison in Florida charged with the murder of the very woman who had promised to nurture his dream A shocking revelation from Laura s scandalous secret past might be Arturo s only saving grace

These Perilous Times Kevin Poling,2008-12 The world economy was deteriorating rapidly and jobs were disappearing and getting harder to find Fear was influencing the Government s decision making policies People were thinking that the end of time had come for sure this time Terrorist acts of violence had touched the hearts of all the country even children had been targeted Unrest and uncertainty were everywhere People had been told that they would have to give up some of their freedoms in exchange for their safety Persecution had also reared its ugly head and come upon the people of God No one ever thought that things would change so quickly No one could comprehend that our own government would be working to arrest Christians for their

faith Or categorizing them as terrorist Juan Garcia was in the fight of his life He would also have to fight to keep his life The wounds Juan received at the hands of the R A R E and newly formed division of Homeland Security should have taken his life but God was not finished with him yet God had a special plan for Juan R A R E stands religious affiliation and registration enforcement You could still worship God or practice any religion that we desired but you had to register and have a license do so and you had to do it how they told you to Juan never thought that his faith in the Lord would be tested over and over even to the braking point Allowing God to use him to help others find the Lord in this time of unrest turmoil and ever present danger would come at the high price of self sacrifice and bring many hardships to him and everyone he loved and cared about Juan finds himself on a journey in a search for peace and safety not knowing who to trust or just where to turn He will meet many new friends and allies along the way A rogue R A R E agent is bound and determined to take Juan s life and any other free Christian that crosses his path That young man is driven by pure hate for all Christians This will make the journey a most very dangerous one in these perilous times
