The Morville Hours Katherine Swift, 2011-01-17 \_\_\_\_\_ The Morville Hours is the most beautiful book I have read in years Nigel Slater A truly remarkable book that is both intimate and universal We are left with a renewed sense of what it is to be human Daily Telegraph This is gardening writing at its best Swift's prose brings the garden alive in all its details scents and meaning Evocative heartfelt and magical Guardian \_\_\_\_\_ In 1988 Katherine Swift arrived at the Dower House at Morville to create a garden of her own This beautifully written utterly absorbing book is the history of the many people who have lived in the same Shropshire house tending the same soil passing down stories over the generations Spanning thousands of years The Morville Hours takes the form of a medieval Book of Hours It is a meditative journey through the seasons but also a journey of self exploration It is a book about finding one's place in the world and putting down roots

The Theology of Renewal for His Church Douglas G. Bushman, 2024-01-26 Almost sixty years after Vatican II the question of its interpretation is as lively as ever While numerous theologies of renewal are advanced conspicuously absent is any serious erudition of the text taken by Paul VI John Paul II and Benedict XVI as the hermeneutical key to understanding the Council's goal and method namely Paul VI's encyclical Ecclesiam Suam This study corrects this inattention and proposes that Pope Paul's logic of renewal is so profoundly a dimension of divine revelation and of the Church's life that it is not just one theology of renewal among many but the theology of renewal It is thus the key to understanding the Council's authentic pastoral character The logic of renewal sets personal spiritual metanoia as the center path of renewal preceded by the path of doctrinal penetration which assures that

renewal is faithful to God and complemented by the path of reinvigorated mission which is the fruit of conversion As the first post Christendom ecumenical council Vatican II addressed the question What does it mean to be the Church of Christ at this point in history Its answer Become what you are Convert into a more perfect realization of your own mystery vocation and mission

Liturgical Feasts and Seasons Thomas Merton, 2023-11-30 Liturgical Feasts and Seasons in this third volume of paper from Thomas Merton's conferences during his decade 1955-1965 as novice master at the Cistercian Abbey of Gethsemani his insight into the liturgical pattern of the Christian year and beyond is presented in fresh detail Merton's own commitment to this central dimension of Christian life is clear and nowhere more so than in his work introducing students to the patterns that would mark their lives as monks Though dating from the period just before the liturgical reforms of Vatican II Merton's commentaries remain pertinent The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton's lifelong writing on liturgy Moreover as his former student Br Paul Quenon notes in his foreword this context is one deeply rooted in Merton's understanding of Scripture These notes take us into one man's lifetime of reflection and seasoned experience of the Church Year In the Liturgical Feasts and Seasons Novitiate Conferences on Scripture and Liturgy 3 Patrick F O Connell deeply rooted in Merton's understanding of Scripture *1543 and All That* G. God Is Love Alone Roger of Taizé, 2003 *Justice and Mercy* - CTL - 2009 , Confessions of an Alien James Mannes Bourke, 2016-03-22 Confessions of an Alien is a story about alienation The narrator Josh Carew is an alien in his homeland Ireland He is exiled by choice to various parts of the former British Empire seeking to come to terms with the dilemmas in his life On his return to Ireland he describes his moral distress with a frankness and honesty that may shock his readers He is disenchanted with politics and the galloping secularisation which he views as the ruination of the country Being of old

Puritan stock he asserts that only righteousness can uplift the nation He cannot lie nor can he accommodate to the mindset of the ungodly and materialistic people who rule the world He is a pilgrim in an alien land and his confessions describe the dark night of his soul His musings are a frontal assault on the Modern World and on the ghastly state that he refers to as the New Ireland Confessions of an Alien is partly a tale of adventure and partly a series of confessions The story and the confessions are interwoven in a seamless narrative The frank confessions focus on social religious and political issues Josh sees himself as a moral man who knows the difference between right and wrong He is shocked to find that the line between right and wrong has disappeared in the New Ireland He sees a nation that has lost its values and he blames it on rampant greed corruption galloping secularism and neo liberalism Some readers may not like his rants and internal monologues His views will probably offend secularists politicians churchmen feminists and media people Josh could not care less He speaks his mind with the forthrightness of an Old Testament prophet
