Lure Of The Bush:

The Lure of the Bush Arthur William Upfield, 1978 Reprint Originally published Garden City New York Doubleday Company Inc 1965 **Thunder over the Desert** Peter Mageros, 2025-04-25 Filmmakers and footsloggers It s not often you hear these two words together but they perfectly capture the story of Australia s film industry revealed in this compelling book Since the early 20th century Australia s local screen industry has fought a fierce battle against the overwhelming dominance of Hollywood striving to keep homegrown feature films on Australian cinema screens This is a story of resilience and cultural pride where the struggles of the nation s filmmakers have been metaphorically aligned with the heroic narrative of the Anzac soldier Much like the first Anzacs at Gallipoli heroes even in the face of devastating defeat Australia s cinema has a celebrated history of seeing itself as valiant even when the odds were stacked against it Peter Mageros delves into the deep historical connections between myth and cinema exploring how filmmakers such as Longford Chauvel Weir and Beresford have drawn inspiration from the iconic images of the Diggers on screen The book reveals how the theme of the heroic film industry persists in contemporary times with Australian filmmakers portrayed as going into the trenches alongside the legendary soldiers This is a story of true heroism not always one of triumphant conquest but of unwavering determination to protect and preserve a uniquely Australian cinematic voice Bushcraft Richard Graves, 2013-04-04 Many have died in the Australian bush who might have lived had they known the appropriate survival skills Bushcraft covers all areas of survival and camping activities making ropes and cords building huts camp craft finding food and water making maps starting fires tying knots and fashioning hunting and trapping gear virtually every technique required to stay alive in the woods With over 400 black and white illustrations and photographs this book explains how to make use of natural materials found locally in any area conserving instead of destroying native flora and fauna It describes many of the skills used by primitive man adding to these the skills necessary for modern man s survival such as methods for determining time and direction The author who popularized the term bushcraft claims its practice has many unexpected results By developing adaptability and honing the five senses it will also improve your self esteem and your ability to overcome difficulties in everyday tasks The practice of bushcraft encourages self confidence and counters the narrowing influence of modern living by broadening your horizons Bushcraft is a clear accurate and reliable resource for anyone who wishes to face nature on its own terms with just a knife and this book The Barrakee Mystery Arthur W. Upfield, 2025-05-19T00:00:00Z First published in 1929 and therefore now Public Domain in the US and Canada The Barrakee Mystery was Upfield s first crime novel and the first to feature his recurring character Detective Inspector Napoleon Bony Bonaparte The mystery surrounding the death upon a far northern sheep station of an aborigine is the central theme of this arresting story The Herald called the novel one of the most exciting well constructed and well written tales we have read for a long time They then went on to note It is a first rate yarn full of a genuine Australian appeal which is in no way forced **Field & Stream** ,1995-05 FIELD STREAM
