The Lure of San Francisco (a Romance Amid Old Landmarks) Gray Elizabeth Potter, 2007-04-01

The Lure of San Francisco Elizabeth Gray Potter, 2016-11-30 Excerpt from *The Lure of San Francisco: A Romance Amid Old Landmarks*. The average visitor considers California's claim to historic recognition as dating from the discovery of gold. Her children, both by birth and adoption, have a hazy pride in her Spanish origin but are too busy with today's interests to take much thought of it. They know that somewhere over in the Mission is the old adobe church. They rejoice that it escaped the fire but have no time to visit it. They will proudly tell their eastern friends of its existence and that the Presidio received its name from the Spaniards but further narration of the heritage is lost in exclamations over the beauty of the drives and the views while the historic significance of Portsmouth Square is smothered in the delight over Chinese embroideries, bronzes, and cloisonné.
