Lushai Girl:

The Lushai Girl Roberta Forrest, 1988-05-01 A romantic story of a woman's struggle to deal with family tragedy racial prejudice and political violence *Subverting Empire* Will Jackson, Emily Manktelow, 2015-07-15 Across their empire the British spoke ceaselessly of deviants of undesirables ne'er do wells petit tyrants and rogues With obvious literary appeal these soon became stock figures This is the first study to take deviance seriously bringing together histories that reveal the complexity of a phenomenon that remains only dimly understood **The Mizo Discovery of the British Raj** Kyle

Jackson, 2023-11-02 A history of Mizoram in Northeast India from the Indigenous perspectives of encounters with the British Empire from the 1890s to the 1920s **Encounter and Interventions** Sajal Nag, M. Satish Kumar, 2023-08-07 The advent of colonialism and its associated developments has been characterized as one of the most defining moments in the history of South Asia The arrival of Christian missionaries has not only been coeval to colonial rule but also associated with development in the region Their encounter critique endeavour and intervention have been very critical in shaping South Asian society and culture even where they did not succeed in converting people Yet there is precious little space spared for studying the role and impact of missionary enterprises than the space allotted to colonialism Isolated individual efforts have focused on Bengal Madras Punjab and much remains to be addressed in the context of the unique region of the North East India In North East India for example by the time the British left a majority of the tribals had abandoned their own faith and adopted Christianity It was a socio cultural revolution Yet this aspect has remained outside the scope of history books Whatever reading material is available is pro Christian mainly because they are either sponsored by the church authorities or written by ecclesiastical scholars Very little secular research was conducted for the hundred years of missionary endeavour in the region The interpretations which have emerged out of the little material available are largely simplistic and devoid of nuances This book is an effort to decenter such explanations by providing an informed historical and cultural appreciation of the role and contribution of missionary endeavors in British India **Indigeneity, Marginality and the State in**

Bangladesh Nasir Uddin, 2024-08-14 This book explores the critical linkages between indigeneity marginality and the state in Bangladesh Indigeneity is progressively gaining currency in politics and thereby becoming an active force in the larger context of national activism with transnational patronage and international support Drawing on comprehensive and solid ethnographic accounts the book offers a broader understanding of the process of marginalisation and the emergence of new leadership among the Khumi an indigenous group of Bangladesh It illuminates how the Khumi have realised their position on the margin of the state within the socio economic political and ethnic history of the Chittagong Hill Tracts It also looks at how kin based social organisations and non kin based social relations become bases of power and authority as well as cooperation and reciprocity in Khumi society Lucid and topical the book will be of interest to scholars and researchers of indigenous studies anthropology ethnic studies sociology political sciences international relations border studies and South Asian studies

Crimean War in the 1850s 1357 have been won and no less than 69 of them have gone to Yorkshiremen Alan Whitworth in this carefully researched and revealing account describes in graphic detail the exploits and the lives of this elite group of heroes *Mizoram, Dimensions and Perspectives*, 2008 Contributed articles **Annual Report on the Progress of Education in Assam** Assam (India). Dept. of Public Instruction, 1917 *History of the Christian Missions in Manipur and Neighbouring States* Karam Manimohan Singh, Kārāma Manimohana Simha, 1991 A history of protestant missionization of the far eastern state of Manipur India during the latter half of the 19th century with a special focus on the work of William Pettigrew of the American Baptist mission *The Modern Review*, 1943-03 **The Lushei Kuki Clans** Lieutenant-Colonel John Shakespear, 2020-09-28 The Lushei chiefs now rule over the country between the Kurnaphuli river and its main tributary the Tuilianpui on the west and the Tyao and Koladyne river on the east while their southern boundary is roughly a line drawn east and west through the junction of the Mat and Koladyne rivers and their most northerly villages are found on the borders of the Silchar district Within this area roughly 7500 square miles there are only a few villages ruled over by chiefs of other clans and outside it there are but few true Lushei villages though I am told that there are villages of people very closely connected with the Lusheis on the southern borders of Sylhet in Tipperah and in the North Cachar Hills and there are a few in the Chittagong Hill tracts All the Lushai Kuki clans resemble each other very closely in appearance and the Mongolian type of countenance prevails One meets however many exceptions which may be due to the foreign blood introduced by the many captives taken from the plains and from neighbouring tribes but these are not worth considering and the description of the Kuki written by Lt Stewart close on 80 years ago cannot be improved on The Kukis are a short sturdy race of men with a goodly development of muscle Their legs are generally speaking short in comparison with the length of their bodies and their arms long The face is nearly as broad as it is long and is generally round or square the cheek bones high broad and prominent eyes small and almond shaped the nose short and flat with wide nostrils The women appear more squat than the men even but are strong and lusty In Lushai clans both sexes are as a rule rather slighter made than among the Thado and cognate clans whom Lt Stewart was describing Adopting the scale given in the handbook of the Anthropological Institute the colour of the skin varies between dark yellow brown dark olive copper coloured and yellow olive Beards and whiskers are almost unknown and a Lushai even when able to grow a moustache which is not often pulls out all the hairs except those at the corners of his mouth The few persons with hairy faces may I think be safely said to be of impure blood

Unconventional Warfare Pum Khan Pau, 2025-02-26 The book probes the lesser known history of the Great Wars in the India Myanmar borderland from the perspective of the indigenous people of the area It critically studies how the indigenous hill people saw the Wars as an opportunity to defend their land and free themselves from the bondage of colonial rule The volume provides an in depth analysis of the effectiveness of unconventional warfare during the First and Second World Wars where conventional methods of fighting seemed to be irrelevant in the mountainous Indo Burma frontier and studies the role

played by the indigenous hill people who had traditional expertise in jungle warfare An important contribution to indigenous studies this book will be an essential read for scholars and researchers of history Northeast India frontier studies military history insurgency and counterinsurgency colonialism tribal studies and the history of modern Southeast Asia
