Blood Rush Jan Verplaetse,2020-03-16 As a young man Jan Verplaetse saw a hare suspended from a meat hook skinned and gutted What struck him so forcefully at the time was not the animal itself but the blood gently dripping from its mouth His reaction prompted the start of a quest he undertakes in this book to investigate our fascination with blood the most vital of fluids Blood Rush shows how throughout history blood has had the capacity to intoxicate us to the point that we lose ourselves whether in violence through hunting fighting or killing or in the vicarious thrill of watching sporting events horror films or video games Are these feelings physical or in our imagination Where does the magic of blood come from In his deeply researched and provocative narrative Verplaetse moves from antiquity to the present from magic to experimental psychology from philosophy to religion and scientific discoveries to demonstrate why blood at once attracts and repels us
