Luther Rice Believer In Tomorrow:

Luther Rice: Believer in Tomorrow Evelyn Wingo Thompson, 1967 This biography will help readers understand Luther Rice as a servant of God with strengths and weaknesses and as a co worker with Adoniram Judson **Encyclopedia of Religion in the South** Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history *Adoniram Judson* Jason G. Duesing, 2012-10-01 On February 19 1812 Adoniram Judson his wife Ann and a few others set sail for the Far East from their American homeland The launching of these missionaries by a newly formed outreach society marked the beginning of Americans formally joining the modern missions movement With the advent of 2012 comes recognition of the bicentennial of Judson s departure and official start of the American missionary enterprise This volume seeks to honor the life and mission of Judson while retelling his story for a new generation With the occasion of the 200 year anniversary of Judson s departure as a fitting context for such a presentation the historians theologians and missiologists writing here under the guidance of editor Jason G Duesing have endeavored not only to serve as Judson s biographers of past events but also as his interpreters of what they hope will take place in the present and future Contributors include Paige Patterson Michael A G Haykin Robert Caldwell Nathan A Finn Candi Finch Keith E Eitel Gregory A Wills and Daniel L Akin **The Great Commission Resurgence** Chuck Lawless, Adam W.
