her life leaving an indelible mark on her formative years and altering her journey into young adulthood As an openly gay teenager Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony Shockingly her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it through twisted joyful weird and wonderful music In Broken Horses Brandi Carlile takes readers through the events of her life that shaped her very raw art from her start at a local singing competition where she performed Elton John s Honky Cat in a bedazzled white polyester suit to her first break opening for Dave Matthews Band to many sleepless tours over fifteen years and six studio albums all while raising two children with her wife Catherine Shepherd This hard won success led her to collaborations with personal heroes like Elton John Dolly Parton Mavis Staples Pearl Jam Tanya Tucker and Joni Mitchell as well as her peers in the supergroup The Highwomen and ultimately to the Grammy stage where she converted millions of viewers into instant fans Evocative and piercingly honest Broken Horses is at once an examination of faith through the eyes of a person rejected by the church s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind a brilliant artist and a genuine empath on a mission to give back
