

...media as sources influenced his planning, scheduling, and developing his statements concerning America's role in Southeast Asia. Turner also uncovers evidence that early American and French governments, for Johnson's later criticism of them, were actually more liberal than the "conservative" press reports. Thus, the book does not dwell on Johnson's handling of the Vietnam situation, but only refers in passing to it as a major problem and in a variety of particular incidents and in a series of unorganized reports.

—David L. Turner

Turner breaks new ground in this first book-length examination of the presidency in the press, and Vietnam. It is at history and a powerful case study of communication failure.

-I know of no other book on this
(Continued on Page 3)

work which draws no connection on the many documents from the Johnson Library, most of which have not been previously accessible to the general reader. With the aid of the personal letters convincingly explains these and Johnson's relationship with the press and his public communications during the Vietnam war. She makes an important contribution not only to the scholarship of Johnson presidency but also to the study of rhetoric and state communication in contemporary America and government. The role of the media in American culture, as David Zaretzky, Department of Communications Studies, Northwestern University

Kathleen J. Turner is assistant professor of communication at the University of Notre Dame.

**LYNDON JOHNSON'S
DUAL WAR: Vietnam
and the Press**
Kathleen J. Turner

It is commonplace to blame the Vietnamese conflict for London's *Indochina's* downfall. But the author of *Indochina's* (Tanner presents a provocative case for the critical role of the United States in the conflict) argues that the United States' "other" support with the news and to vindicate the country's handling of Vietnam. The author, with a good sense of tragic irony, presents himself as the leader of a "new society," becoming involved in the conflict. He was unable to justify his involvement to either the press or the public, and he was unable to justify his involvement to either the press or the public. He was unable to justify his involvement to either the press or the public. He was unable to justify his involvement to either the press or the public.

Tuesday pitches her arguments in the context of two related issues. One is the rhetoric of distorted war. Any American president, having to account for his actions during military efforts, faces a daunting task. She says that Americans have been able to work in the overall characteristics of presidential-media relations, an uneasy

tion of the symbolic and the idiosyncratic. Each side needs the cooperation of the other to ensure the flow of information. Yet each side also competes.

Lyndon Johnsons Dual War Vietnam And The Press

Kathleen J. Turner

Lyndon Johnson's Dual War Vietnam And The Press:

Lyndon Johnson's Dual War Kathleen J. Turner, 2011-01 Argues that Johnson's downfall was caused by the press and the Vietnam War *A Companion to Lyndon B. Johnson* Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B. Johnson's life, presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President *The Presidents vs. the Press* Harold Holzer, 2021-08-24 An award winning presidential historian offers an authoritative account of American presidents' attacks on our freedom of the press including a new foreword chronicling the end of the Trump presidency The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR's public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F. Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation *The Johnson Years: Vietnam, the environment, and science* Robert A. Divine, 1987 *The Wars of Watergate* Stanley I. Kutler, 2013-08-28 This is the first truly comprehensive history of the political explosion that shook America in the 1970s and whose aftereffects are still being felt in public life today Drawing on contemporary documents personal interviews memoirs and a vast quantity of new material Stanley Kutler shows

how President Nixon's obstruction of justice from the White House capped a pattern of abuse that marked his entire tenure in office. He makes clear how the drama of Watergate is rooted not only in the tumultuous events and social tensions of the 1960s but also in the personality and history of Richard Nixon. Kutler examines Nixon's confrontations with the institutions he feared and resented: the Congress, the federal agencies, the news media, the Washington establishment, and how they mobilized to topple the President. He considers the arguments of Nixon's defenders who insisted that Watergate was a minor affair and the contention that the President did nothing worse than his predecessors had done. He offers compelling portraits of the President's men: H. R. Haldeman, John Ehrlichman, John Mitchell, Charles Colson, John Dean, and of his adversaries: Judge John Sirica, the U.S. Attorneys, Special Prosecutors Archibald Cox and Leon Jaworski, and of the legislators who would stand in judgment: Sam Ervin and Peter Rodino. In the course of his engrossing narrative, Stanley Kutler illuminates the constitutional crisis brought on by Watergate. He shows how Watergate diminished the moral level of American political life and illustrates its continuing detrimental impact on the credibility, authority, and prestige of the Presidency in particular and the government in general. His book underlines for the American electorate the significance of Watergate for the future of our political ethics and the maintenance of our constitutional system, as well as for the place of Richard Nixon in American history.

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11. The Encyclopedia of American Journalism explores the distinctions found in print media, radio, television, and the internet. This work seeks to document the role of these different forms of journalism in the formation of America's understanding and reaction to political campaigns, war, peace, protest, slavery, consumer rights, civil rights, immigration, unionism, feminism, environmentalism, globalization, and more. This work also explores the intersections between journalism and other phenomena in American Society such as law, crime, business, and consumption. The evolution of journalism's ethical standards is discussed, as well as the important libel and defamation trials that have influenced journalistic practice, its legal protection, and legal responsibilities. Topics covered include: Associations and Organizations, Historical Overview and Practice, Individuals, Journalism in American History, Laws, Acts, and Legislation, Print, Broadcast, Newsgroups, and Corporations, Technologies. History of the Mass Media in the United States Margaret A. Blanchard, 2013-12-19. The influence of the mass media on American history has been overwhelming. *History of the Mass Media in the United States* examines the ways in which the media both affects and is affected by U.S. society. From 1690, when the first American newspaper was founded, to 1995, this encyclopedia covers more than 300 years of mass media history. *History of Mass Media in the United States* contains more than 475 alphabetically arranged entries covering subjects ranging from key areas of newspaper history to broader topics such as media coverage of wars, major conflicts, over press freedom, court cases, and legislation, and the concerns and representation of ethnic and special interest groups. The editor and the 200 scholarly contributors to this work have taken particular care to examine the technological, legal, legislative, economic, and political developments that have affected the American media. **Media Management in the Age of Lyndon B. Johnson**

Benjamin W. Quail, 2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office **Facing My Lai** David L. Anderson, 1998 But these questions are asked again in the hope that they might lead to a better understanding of what My Lai means for us now *Historical Dictionary of the 1960s* James S. Olson, 1999-12-30 Few eras in U S history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U S was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U S was really the land of the free and the home of the brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women s movement and the youth rebellion It covers the political military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history **The Tet Offensive** William Thomas Allison, 2010-04-26 With Americans turning against the war in ever greater numbers struggles for power between the government and the military and no end in sight to the fighting the Tet Offensive of 1968 proved to be the turning point of the Vietnam War In The Tet Offensive historian William Thomas Allison provides a clear concise overview of the major events and issues surrounding the Tet Offensive and compiles carefully selected primary sources to illustrate the complex military political and public decisions that made up Tet The Tet Offensive is composed of two parts an accessible well illustrated narrative overview and a collection of core primary source documents Throughout the narrative historiographic questions are addressed within the text to highlight discussion among historians over pivotal points of debate The objectively selected documents provide students with raw material from which to gain insight into these events through their own analysis and to improve their ability to discuss and understand the importance of historical scholarship Approachable and insightful The Tet Offensive is not only a great introduction to reading history through primary sources it is an essential tool for understanding what made the Tet Offensive such an important turning point of the Vietnam War **Encyclopedia of journalism. 6. Appendices** Christopher H. Sterling, 2009-09-25 The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court

cases ownership and economics *The A to Z of Journalism* Ross Eaman,2009-10-12 Journalism is the discipline of gathering writing and reporting news and it includes the process of editing and presenting news articles Journalism applies to various media including but not limited to newspapers magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The A to Z of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors The Odyssey of Echo Company Doug Stanton,2017-09-19 A portrait of the American recon platoon of the 101st Airborne Division describes their sixty day fight for survival during the 1968 Tet Offensive tracing their postwar difficulties with acclimating into a peacetime America that did not want to hear their story **Media and the Politics of Failure** L. Roselle,2006-09-02 Roselle analyzes how political leaders of powerful states use media to explain military defeats The cases of the United States in Vietnam and the Soviet Union in Afghanistan highlight the role of great power identity domestic politics and media structure *How Wars Are Won and Lost* John A. Gentry,2011-11-10 This provocative book seeks to answer a most crucial and embarrassing question concerning the U S military why the United States is so often stymied in military confrontations with seemingly weaker opponents despite its superpower status This fascinating book examines a question that continues to puzzle soldiers statesmen and scholars why do major powers including the ostensible superpower United States repeatedly perform poorly against seemingly overmatched adversaries And what can they and the United States do to better achieve their military objectives How Wars are Won and Lost Vulnerability and Military Power argues that beyond relying solely on overwhelming military might the United States needs to focus more on exploiting weaknesses in their adversaries such as national will resource mobilization and strategic miscues just as opposing forces have done to gain advantage over our military efforts The author tests the vulnerability theory by revisiting six conflicts from the Philippine War of 1899 1902 to the ongoing actions in Iraq and Afghanistan showing again and again that victory often depends more on outthinking the enemy than outmuscling them The US Public and American Foreign Policy Andrew Johnstone,Helen Laville,2010-06-10 Though often overlooked public opinion has always played a significant role in the development and promotion of US foreign policy and this work seeks to comprehensively assess the impact and nature of that opinion through a collection of historical and contemporary essays The volume evaluates the role of organizations and movements that look to represent public opinion and assesses the nature of their relationship with the government The contributors utilize a number of different approaches to examine this impact including polling data assessments of the role of the media and the wider consideration of ideas and ideology moving

on to examine the specific role played by the public in the policy making and policy promotion process Engaging with new questions as well as approaching old questions from a new angle the work argues that whilst the roles change and the extent of influence varies the power of the public to both initiate and constrain foreign policy clearly exists and should not be underestimated This work will be of great interest to all those with an interest in American foreign policy American politics and American history

Seymour Hersh Robert Miraldi,2013 Seymour Hersh has been the most important famous and controversial journalist in the United States for the last forty years From his expos of the My Lai massacre in 1969 to his revelations about torture at Abu Ghraib prison in 2004 Hersh has consistently captured the public imagination spurred policymakers to reform and drawn the ire of presidents From the streets of Chicago to the newsrooms of the most powerful newspapers and magazines in the United States Seymour Hersh tells the story of this Pulitzer Prize winning journalist and author Robert Miraldi scrutinizes the scandals and n

The Columbia Guide to America in the 1960s David Farber,Beth Bailey,2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade s major policies events and cultural changes The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars *The Columbia Guide to America in the 1960s* is the most complete guide to an enduringly fascinating era

Lyndon Johnsons Dual War Vietnam And The Press Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lyndon Johnsons Dual War Vietnam And The Press PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lyndon Johnsons Dual War Vietnam And The Press PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lyndon Johnsons Dual War Vietnam And The Press free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Lyndon Johnsons Dual War Vietnam And The Press Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lyndon Johnsons Dual War Vietnam And The Press is one of the best book in our library for free trial. We provide copy of Lyndon Johnsons Dual War Vietnam And The Press in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lyndon Johnsons Dual War Vietnam And The Press. Where to download Lyndon Johnsons Dual War Vietnam And The Press online for free? Are you looking for Lyndon Johnsons Dual War Vietnam And The Press PDF? This is definitely going to save you time and cash in something you should think about.
