## **Lyndon Lyndon B Johnson:**

**Lyndon B. Johnson** Robert Dallek, 2004-01-08 Robert Dallek's brilliant two volume biography of Lyndon Johnson has received an avalanche of praise Michael Beschloss in The Los Angeles Times said that it succeeds brilliantly The New York Times called it rock solid and The Washington Post hailed it as invaluable And Sidney Blumenthal in The Boston Globe wrote that it was dense with astonishing incidents Now Dallek has condensed his two volume masterpiece into what is surely the finest one volume biography of Johnson available Based on years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this biography follows Johnson the human dynamo from the Texas hill country to the White House We see LBJ in the House and the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Then in the White House we see Johnson as the visionary leader who worked his will on Congress like no president before or since enacting a range of crucial legislation from Medicare and environmental protection to the most significant advances in civil rights for black Americans ever achieved And we see the depth of Johnson's private anguish as he became increasingly ensnared in Vietnam In these pages Johnson emerges as a man of towering intensity and anguished insecurity of grandiose ambition and grave self doubt a man who was brilliant crude intimidating compassionate overbearing driven A tornado in pants Gracefully written and delicately balanced this *Lyndon B. Johnson, a Biography* Lyndon Baines Johnson Library, 1984 *The Presidency of Lyndon B. Bullion, 2008 This book offers a close look at how Johnson handled the issues of civil rights segregation Vietnam and an unruly economy and demonstrates how these issues and events wore away Johnson's once robust idealism Back cover *Larger than Life: Lyndon B. Johnson and the Right to Vote* Anne Quirk, 2021-07-27 An accessible informed and timely biography of Lyndon Johnson that centers his life and presidency around the passage of the Voting Rights Act Keenly known for both his triumphs and his failures Lyndon B Johnson was one of the most complex and compelling presidents in US history Anne Quirk's biography alternates between chapters that follow LBJ's childhood in rural Texas learning politics from his parents his time teaching Mexican American students at a small town school and his days in Congress as majority leader and as vice president and chapters that cover his work alongside civil

rights leaders and the passage of the Voting Rights Act An epilogue discusses the Supreme Court's 2013 ruling that struck down key portions of the act With engaging storytelling Quirk paints a rich portrait of Johnson's presidency celebrating the accomplishments of his Great Society programs while refusing to shy away from his catastrophic decisions regarding Vietnam and the summer riots of 1967 Larger Than Life presents striking parallels to today's political arena an outsize character presiding over a divided nation but to different ends *Chief of Staff* W. Marvin Watson, Sherwin Markman, 2014-03-11 Chief of Staff to the President is perhaps the most important political appointment in our nation's government Aside from handling the myriad of day to day details that keep the White House running the Chief of Staff is often the President's closest confidante and gatekeeper anyone who wants access to the Oval Office goes through the Chief of Staff President Lyndon Johnson bestrode the American political scene as a colossus of energy ambition and purpose He attempted to achieve no less than the total eradication of poverty and expended every last ounce of his political capital with Congress to pass Civil Rights legislation And throughout he was as he knew better than anyone else being destroyed by a war he inherited detested and could do nothing to stop With W Marvin Watson his Chief of Staff and most intimate adviser finally revealing what he knows about this extraordinary figure readers are taken firsthand inside the presidential life and times of Lyndon Johnson

Lyndon B. Johnson and Modern America Kevin J. Fernlund,2019-07-23 Born in a farmhouse in the Texas Hill Country Lyndon Baines Johnson brought a western sensibility to the White House Building on recent studies that have delved into Johnson s Texas roots Kevin J Fernlund has written a brief lively biography of the thirty sixth president that better shows how his home state molded his early years and how the one time Houston schoolteacher eventually became a Texas tornado twisting across the state s and soon the nation s political landscape Lyndon B Johnson and Modern America offers a concise look at LBJ that shows how his career coincided with the ascendancy of American liberalism within a Cold War context In particular Fernlund extends recent observations regarding Johnson s important role in regional transformation at a time when the South and West became full partners in the American economy In examining LBJ s promotion of the space program and his disastrous decision to escalate the war in Vietnam Fernlund shows how these and other Johnson administration policies affected the American West He describes how Johnson s liberal agenda for the West became subverted by illiberal wars with enemies foreign and domestic exposing the limits of liberalism and fostering the region s nascent conservatism He also compares Johnson s commitment to social justice with that of his arch nemesis Ho Chi Minh providing new insight for readers and an intriguing springboard for classroom discussion Although subsequent presidents also hailed from the West Fernlund argues that Johnson was our last truly western chief executive This new approach to LBJ offers a novel reading of an important Texan his huge circles of influence and his lasting impact on the American scene **Public Papers of the Presidents of the United States: Lyndon B. Johnson, 1965** Johnson, Lyndon B.,1966-01-01 Public Papers of the Presidents of the United States Lyndon B. Johnson Michelle M. Hasselius,2014 Simple text and photographs present a biography of president Lyndon B Johnson **Lyndon B. Johnson** Charles Peters,2010-06-08 The towering figure who

sought to transform America into a Great Society but whose ambitions and presidency collapsed in the tragedy of the Vietnam War Few figures in American history are as compelling and complex as Lyndon Baines Johnson who established himself as the master of the U S Senate in the 1950s and succeeded John F Kennedy in the White House after Kennedy s assassination on November 22 1963 Charles Peters a keen observer of Washington politics for more than five decades tells the story of Johnson s presidency as the tale of an immensely talented politician driven by ambition and desire As part of the Kennedy Johnson administration from 1961 to 1968 Peters knew key players including Johnson s aides giving him inside knowledge of the legislative wizardry that led to historic triumphs like the Voting Rights Act and the personal insecurities that led to the tragedy of Vietnam Peters s experiences have given him unique insight into the poisonous rivalry between Johnson and Robert F Kennedy showing how their misunderstanding of each other exacerbated Johnson s self doubt and led him into the morass of Vietnam which crippled his presidency and finally drove this larger than life man from the office that was his lifelong ambition      *Lyndon B. Johnson* Scott Barbour,2001 This book is a collection of essays written on Lyndon B Johnson s presidential decisions including the political social and economic factors behind the crises he faced during his presidency      Lyndon B.
