Jackson, 2005 Karle Wilson Baker was the best known Texas poet of the early twentieth century Yet while many of her male contemporaries remain well known to Texas literature she is not Her energy and significant role in shaping the literature of Texas equaled those of Walter Prescott Webb or J Frank Dobie with whom she ranked as the first Fellows of the Texas Institute of Letters Her modern lifestyle as an independent new woman and her active career as a writer teacher and lecturer placed her among the avant garde of women in the nation although she lived in the small town of Nacogdoches She was a multi talented writer with a wide range of interests yet she championed Texas and the history and natural beauty of East Texas above all else Sarah R Jackson's thoroughly researched biography of Karle Wilson Baker introduces her to a new generation Baker's life also opens a window onto the literary times in which she lived and particularly the path of a woman making her way in the largely male dominated world of nationally acclaimed writers Beyond the literary insights this book offers Jackson spotlights developments in East Texas such as the discovery of oil and the founding of what would become Stephen F Austin State University in Baker's hometown Extensive work in a number of regional and state archives and interviews with many who remembered Baker allow Jackson to offer an account that is not only thorough but also lively and entertaining **Annual Bibliography of English Language and Literature**, 1926 Includes both books and articles **Wisconsin Library Bulletin**, 1931 *The Kadelian Review*, 1928 Includes directory and notes of Kappa Delta Pi **South Carolina Women** Marjorie Julian Spruill, Valinda W. Littlefield, Joan Marie Johnson, 2010-01-25 The biographical essays in this volume provide new insights into the various ways that South Carolina women asserted themselves in their state and illuminate the tension between tradition and change that defined the South from the Civil War through the Progressive Era As old rules including gender conventions that severely constrained southern women were dramatically bent if not broken these women carved out new roles for themselves and

others The volume begins with a profile of Laura Towne and Ellen Murray who founded the Penn School on St Helena Island for former slaves Subsequent essays look at such women as the five Rollin sisters members of a prominent black family who became passionate advocates for women s rights during Reconstruction writer Josephine Pinckney who helped preserve African American spirituals and explored conflicts between the New and Old South in her essays and novels and Dr Matilda Evans the first African American woman licensed to practice medicine in the state Intractable racial attitudes often caused women to follow separate but parallel paths as with Louisa B Poppenheim and Marion B Wilkinson Poppenheim who was white and Wilkinson who was black were both driving forces in the women s club movement Both saw clubs as a way not only to help women and children but also to showcase these positive changes to the wider nation Yet the two women worked separately as did the white and black state federations of women s clubs Often mixing deference with daring these women helped shape their society through such avenues as education religion politics community organizing history the arts science and medicine Women in the mid and late twentieth century would build on their accomplishments Wisconsin Journal of Education ,1928 A Bibliographical Guide to the Study of Southern Literature Louis Decimus Rubin (Jr.),Joseph A.
