Lysis Phaedrus And Symposium Plato On Homosexuality

T. Olverson

Lysis Phaedrus And Symposium Plato On Homosexuality:

Lysis, Phaedrus and Symposium Benjamin Jowett, Platón, 1990 And when the other is beside him he shares his respite from anguish when he is absent he likewise shares his longing and being longed for since he possesses that counterlove which is the image of love though he supposes it to be friendship rather than love and calls it by that name from the Phaedrus The nature of love and friendship and their varying manifestations have stimulated philosophical interest for centuries How should we understand such concepts as the beloved physical beauty the beauty that transcends the physical and the power of love between men as the ancient Greeks understood it In these three dialogues the Lysis Phaedrus and Symposium Socrates the gadfly of Athens searches for the truth about love and friendship In doing so he reveals how his Athenian contemporaries regarded homosexual love as an educative aesthetic and social force **Equality for Same-Sex Couples** Yuval Merin, 2010-02-15 During the past three decades nations all over the world have been debating whether to allow same sex couples to marry or at least grant these couples various rights associated with marriage In Equality for Same Sex Couples Yuval Merin presents the first comparative study of the legal regulation of same sex partnerships worldwide as well as a unique survey of the status of same sex couples in Europe Merin begins by providing a historical overview of the transformation of marriage from antiquity to the present He then identifies and critically compares four principal models for the legal regulation and recognition of same sex partnerships civil marriage registered partnership domestic partnership and cohabitation Merin concludes that all of the models except civil marriage discriminate against gays and lesbians just as the separate but equal doctrine discriminated against African Americans thus so called alternatives to marriage even if they provide the same rights and benefits as marriage are inherently unequal and therefore unconstitutional Lysis, Phaedrus, and Symposium Plato, 1991-12 And when the other is beside him he shares his respite from anguish when he is absent he likewise shares his longing and being longed for since he possesses that counterlove which is the image of love though he supposes it to be friendship rather than love and calls it by that name from the Phaedrus The nature of love and friendship and their varying manifestations have stimulated philosophical interest for centuries How should we understand such concepts as the beloved physical beauty the beauty that transcends the physical and the power of love between men as the ancient Greeks understood it In these three dialogues the Lysis Phaedrus and Symposium Socrates the gadfly of Athens searches for the truth about love and friendship In doing so he reveals how his Athenian contemporaries regarded homosexual love as an educative aesthetic and social force A Critical Approach to Conceptual and Historical Issues in Psychology Stanley O. Gaines, Jr., 2025-03-14 A Critical Approach to Conceptual and Historical Issues in Psychology Soul Self and Science examines the evolving concept of human consciousness throughout the ages to show how humanity progressed from studies of the soul a major concern of ancient philosophy to a science of the mind including the self a primary concern of contemporary psychology Divided into five parts the book moves through the history of psychology from its philosophical

roots into the present day and beyond It takes a balanced and critical approach to figures and theories which have been instrumental in the development of psychology as a discipline such as Plato Descartes Wundt Du Bois Freud Jung Watson Skinner and Maslow Throughout it offers diverse perspectives on the field s history providing insights into such topics as race and intelligence gender and personality and their treatment within psychology Each chapter is supported by breakout boxes highlighting key theories related to that chapter s topic Thought questions to encourage the reader to critically evaluate what they have read notes with further information and suggestions for further reading are provided online Of particular interest to postgraduate students on MSc conversion courses the book will also interest undergraduate students completing history of psychology conceptual and historical issues in psychology history and systems of psychology and related modules This textbook was designed to comply with the QAA Subject Benchmark Statement in Psychology and the BPS accreditation guidelines for content in Conceptual and Historical Issues in Psychology

The Unsexed Mind and Psychological Androgyny, 1790-1848 Victoria F. Russell, 2022-01-01 This book explores a significant lacuna in British history Between the 1790s and the 1840s the concept of psychological androgyny or the unsexed mind emerged as a notion of psychosexual equality promoted by a small though influential network of heterodox radicals on the margins of Rational Dissent Deeply concerned with the growing segregation of the sexes supported seemingly by arbitrary and increasingly binary models of sexual difference heterodox radicals insisted that while the body might be sexed the mind was not They argued that society and the prejudicial masculinist institutions of patriarchy should be reformed to accommodate and protect what one radical described as an infinitely varied humanity In placing the concept of psychological androgyny centre stage this book offers a substantial revision to understandings of progressive debates on gender in the late eighteenth and early nineteenth century in Britain

Virginia Woolf in Context Bryony Randall, Jane Goldman, 2012-12-17 Covering a wide range of historical theoretical critical and cultural contexts this collection studies key issues in contemporary Woolf studies

Who's Who in Gay and Lesbian History Vol.1 Robert Aldrich, Garry Wotherspoon, 2005-10-25 Who s Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages

Women Writers and the Dark Side of Late-Victorian Hellenism T. Olverson, 2009-11-19 Examining the appropriation of transgressive violent female figures from ancient Greek literature and myth by late Victorian writers Olverson reveals the extent to which ancient antagonists like the murderous Medea and the sinister Circe were employed as a means to protest against and comment upon contemporary social and political institutions

Homosexuality in Art James Smalls, 2015-09-15 This book is not a

panegyric of homosexuality It is a scientific study led by Professor James Smalls who teaches art history in the prestigious University of Maryland Baltimore Abandoning all classical clichés and sociological approaches the author highlights the sensibility particular to homosexuals This book examines the process of creation and allows one to comprehend the contribution of homosexuality to the evolution of emotional perception In a time when all barriers have been overcome this analysis offers a new understanding of our civilisation's masterpieces

Homosexuality in Ancient Athens Joseph R. Laurin, 2005 Homosexuality in Ancient Athens is a brief yet comprehensive and thoroughly documented history of the life style of men and women during the Classical period of the fifth and fourth centuries BCE in Athens Greece The references to ancient literary and iconographic sources and to modern literature are collected by chapters as follows Definitions Mythical Origin of Man Men's Sexual Life Style Homosexuality Pederasty Effeminacy Lesbianism Men's Friendship and Sexual Reality A select Bibliography and Index follow the 173 pages of text illustrated by two maps and eight reproductions of ancient paintings on vases This book is an offshoot of *Women of Ancient Athens* published recently by the same author

Homosexuality in Ancient Athens is dedicated to all readers who desire to know more about the homosexual life style of the ancient Athenian men and women Their history is unique in many ways always intriguing and fascinating This scholarly book is perfectly suited for libraries for adults and for academic reference centers as well as leading bookstores carrying English titles Its Print on Demand access contributes to a wider distribution at a lower price A quiz for no grade or credit just for fun

Dialogue and Deviance R. Sturges, 2005-03-01 This book traces the historical relationship between male male erotic desire and the genre of literary or philosophical dialogue It describes three literary philosophical traditions each of which originates in a different Platonic dialogue whose subsequent influence can be traced first through the Roman and medieval periods second through the Renaissance and Enlightenment periods and finally through the modern and postmodern periods Sturges demonstrates that various forms of erotic deviance have been differently valued in these different periods and cultures and that dialogue has consistently proven to be the genre of choice for expressing these changing values This study provides a valuable historical perspective on current debates over the place of homosexuality in modern Western culture

The Matrix of Mysticism Martin Hudale, 2008-10 The Matrix of Mysticism A Call for a New Reformation is on the cutting edge pioneering

into rarely explored theological and religious history of Roman Catholicism This book reveals that while under influence of humanistic and mystical teachings of the Roman Church many Catholic priests committed vicious acts of homosexual molestation against Catholic adolescent boys and children Using the 2002 clergy sexual abuse scandal as a launching pad the author exposes the cause and effect relationship between Catholicisms celibate monastic mysticism and its long history of clerical sexual dysfunctions The author documents how the Catholic Churchs occult Gnostic Neoplatonic worldview regarding the antagonistic differences between the flesh and spirit became the motivating cause for its history of clerical sexual promiscuity and antifeminine mind set as well as its rationale to deify Mary the mother of Jesus as an incarnation of the divine feminine Martin Hudale spent 12 years in pre Vatican II Catholic boarding schools and seminaries During this time he studied various Roman Catholic doctrines pertaining to dogmatic moral ecclesiastical sacramental and patristic theology He was required to study Aristotelian and Platonic philosophy along with logic epistemology and the Latin and Greek classical literature As a result he has the background experience knowledge and credibility to write this book After being ordained a Catholic priest he worked four years at an inner city parish church in the United States where his awareness of the homosexual and immoral lifestyles among some of his fellow priests was an important factor causing him to leave the priesthood After he became a born again Christian at the age of 40 he spent approximately 25 years researching and writing this book while receiving an M S degree in Counseling Psychology He is presently married to his wife of 35 yrs and the father of three adult children

Queer Crimes & Criminal Justice Mithilesh Narayan Bhatt,2022-06-01 The Queer Sexual minority which interalia includes lesbian gay bisexual and transgender hereinafter LGBT people is not a new phenomenon in today s scenario LGBT share a particular experience of their own sexual desires as potentially directed toward a person of the same gender They have transformed these experiences desires and practices into a social identity a sexual orientation which serves as a marker of individual selves and of a group This study shows that discrimination and abuse from homophobic transphobic world in which there is full permission to treat LGBT with cruelty makes it difficult for them to maintain a strong sense of well being and self esteem Study reveals that in India LGBT lives are more secretive as they are suppress to come out easily This book based on study concludes with some strong and viable recommendations which are requisite to ensure safe and proper place to LGBT people in society inculcating humane approach into laws and the criminal justice system Education and awareness programmes through various means and various places can bring positive changes Note T F does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Rethinking Philosophers' Responsibility Lydia Amir,2017-11-06 Calling on philosophers as the custodians of rationality to reconsider their responsibility toward their communities and the state of civilization at large this book considers philosophy to be a practical discipline Largely foreign to philosophers and non philosophers alike this conception of philosophy discloses the relevance of its unique contributions to contemporary society The book offers a compelling and accessible analysis of

philosophy also in relation to religion psychology the New Age Movement and globalization and exemplifies through a wide range of current problems how philosophers can fulfil their responsibility Its argument that responsibility lies where one is capable of doing what is needed and even more so when no one else can do it targets philosophers However its innovative study of contemporary philosophy coupled with its original contributions to the problems at hand will engage academics and students from other disciplines as well as a general readership

The Challenge to Friendship in Modernity Heather Devere, Preston King, 2013-11-05 In antiquity it was not only Aristotle who assumed the people are more to be understood in relation to one another than as individual or solitary constructs This examination considers the changing attitudes to friendship since antiquity

Secreted Desires Michael Matthew Kaylor, 2006

Amy Levy Naomi Hetherington, Nadia Valman, 2010-04-06 Amy Levy has risen to prominence in recent years as one of the most innovative and perplexing writers of her generation Embraced by feminist scholars for her radical experimentation with queer poetic voice and her witty journalistic pieces on female independence she remains controversial for her representations of London Jewry that draw unmistakably on contemporary antisemitic discourse Amy Levy Critical Essays brings together scholars working in the fields of Victorian cultural history women s poetry and fiction and the history of Anglo Jewry The essays trace the social intellectual and political contexts of Levy s writing and its contemporary reception Working from close analyses of Levy s texts the collection aims to rethink her engagement with Jewish identity to consider her literary and political identifications to assess her representations of modern consumer society and popular culture and to place her life and work within late Victorian cultural debate This book is essential reading for undergraduate and postgraduate students offering both a comprehensive literature review of scholarship to date and a range of new critical perspectives Contributors Susan David Bernstein University of Wisconsin Madison Gail Cunningham Kingston University Elizabeth F Evans Pennsylvania State University DuBois Emma Francis Warwick University Alex Goody Oxford Brookes University T D Olverson University of Newcastle upon Tyne Lyssa Randolph University of Wales Newport Meri Jane Rochelson Florida International University

Reason and Sexuality in Western Thought David West, 2005-05-06 This book traces the genealogy of ideas of reason self and sexuality

in the West opening the way to a richer and more diverse understanding of sexual experience Western philosophy and religion have distorted and continue to distort our experience of sex and love through three far reaching constellations of reason self and sexuality Thinkers like Plato Aquinas and Kant helped to fashion an ascetic ideal of reason hostile to bodily pleasures and sexual diversity By contrast philosophical hedonism advocates a less demanding conception of rationality and defends sexual pleasure But this approach of thinkers like Hume Bentham La Mettrie and de Sade is still one sided and limiting A third constellation Romanticism avoids the limitations of both forms of rationalism but in the name of a religion of love and passion that ultimately threatens the integrity of the self In Reason and Sexuality in Western Thought a richer understanding of sexual experience is traced to a dissident philosophical tradition In their different ways Montaigne Spinoza Hegel and Kierkegaard Marcuse and Foucault contribute to a more holistic multi layered and open conception of reason sexuality and the self This book will be essential reading for all students of philosophy and gender studies *The Gendering of Men, 1600-1750* Thomas Alan King, 2004 Taking on nothing less than the formation of modern genders and sexualities Thomas A King develops a history of the political and performative struggles that produced both normative and queer masculinities in the seventeenth and eighteenth centuries The result is a major contribution to gender studies gay studies and theater and performance history *The Gendering of Men 1600 1750* traces the transition from a society based on alliance which had subordinated all men women and boys to higher ranked males to one founded in sexuality through which men have embodied their claims to personal and political privacy King proposes that the male body is a performative production marking men s resistance to their subjection within patriarchy and sovereignty Emphasizing that categories of gender must come under historical analysis *The Gendering of Men* explores men s participation in an ongoing struggle for access to a universal manliness transcending other biological and social differentials Pub desc v 1

Lysis Phaedrus And Symposium Plato On Homosexuality Book Review: Unveiling the Magic of Language
